GEORGIA DEPARTMENT OF CORRECTIONS Facility: _____

Mental Health Services

LOCK DOWN/SLU/ACU/CSU TEMPERATURE LOG (complete daily from April 1st – September 30th)

****

Heat Precautions for Offenders Receiving Psychotropic Medication
The temperature will be documented by Security once every 6 hours during daylight hours (per range)

When ambient temperature exceeds 85˚ Fahrenheit, institute the following measures:

1. Increase ventilation with fans to improve air flow
2. Provide increased ice and fluids.
3. Allow additional showers, if possible.

Date	Time	Building/Dorm	Range	Temperature	Response #/ Measures Taken	Officer's Signature
(Example)	1400	J-Building SLU	Upper	93 ˚	1,2,3	Officer Smith, COII

Form no. M60-01-03

Retention Schedule: Completed forms shall be given to the Building Officer to forward to Chief of Security (to be filed) and a copy maintained in the mental health area until replaced or obsolete.
