Related Information

7-103 has been the number assigned to multiple policies since the Policy Manual was adopted in 1983. It was originally assigned to the Acceptance of Gifts or Grants for Capital Projects – Construction policy. Article A of Chapter VII was revised in January 1988 and 7-103 was assigned to the Conceptual Approval Phase policy. In June 1992, Chapter VII was revised again and 7-103 was assigned to the Project Initiation Phase policy. Upon another revision in January 1999, 7-103 became Master Plans. Chapter VII was again revised in June 2005 and 7-103 was assigned to the Capital Committee Charter policy until it was repealed in 2011. The number was then used for IT Project Approval Process from its adoption in April 2012 until its repeal in June 2022.
