Related Information

This policy was originally adopted as 7-113 in 1993. It was later renumbered as 7-103 in 1999. In 2005, it was renumbered as 7-105.

7-105 has been the number assigned to multiple policies since the Policy Manual was adopted in 1983. It was originally assigned to the Qualifications of Bidders policy. Article A of Chapter VII was revised in January 1988 and 7-105 was assigned to the Design and Construction Phase policy. In June 1992, Chapter VII was revised again and 7-105 was assigned to the Project Approval Phase policy. Upon another revision in January 1999, 7-105 became the Overview of the Capital Development Process and Phases policy. Chapter VII was again revised in September 2001 and 7-105 was assigned to the Capital Development Plans policy. The number was then used for Master Plans from June 2005 until its repeal in June 2022.
