Related Information

This policy was originally numbered as 7-103 from its adoption in 1988 until 6/12/1992 when it was renumbered as 7-104. In January 1999, it was renumbered as 7-107. Finally, it became 7-108 in September 2001.

7-108 has been the number assigned to multiple policies since the Policy Manual was adopted in 1983. It was originally assigned to the Contractors' Bonds policy. Article A of Chapter VII was revised in January 1988 and 7-108 was assigned to the Capital Improvement Plans policy. In June 1992, Chapter VII was revised again and 7-108 was assigned to the Project Reporting Requirements policy. Upon another revision in January 1999, 7-108 became the Project Approval Phase policy. Chapter VII was again revised in September 2001 and 7-108 was assigned to the Project Implementation Approval Phase policy. The policy was renamed to Project Implementation Approval in June 2005 and was repealed in June 2022.
