Related Information

This policy was originally numbered as 7-108 from its adoption in 1992 until 1/15/1999 when it was renumbered to 7-111. It was again renumbered to 7-112 in 2001.

7-112 has been the number assigned to multiple policies since the Policy Manual was adopted in 1983. It was originally assigned to the Estimates of the Cost of Construction Projects policy. Article A of Chapter VII was revised in January 1988 and 7-112 was repealed. In June 1992, Chapter VII was revised again and 7-112 was assigned to the Capital Improvement Plans policy. Upon another revision in January 1999, 7-112 became the Space Inventory and Utilization

Reports policy. Chapter VII was again revised in September 2001 and 7-112 was assigned to the Capital Project Status Reports policy until its repeal in June 2022.
