

**ARIZONA BOARD OF REGENTS  
POLICY MANUAL**

9-103      Tri-University Information Technology Architecture

Revision Dates

12/10/2010, 6/20/2008 (adopted)

The universities will participate in the creation and development of a Tri-University IT Architecture to guide the design, implementation, maintenance, and organization of information technology management at each institution. The Tri-University IT Architecture will be submitted to the Tri-University IT Council for review and approval.
