Regents High Honors Endorsement (RHHE) Tuition Scholarship Guidelines

The RHHE scholarship award is 25% of resident undergraduate tuition for qualified Arizona High School graduates.

PART 1   COMPETENCY COURSES

Students must complete all 16 Core Competency Courses by graduation with a "B" or better in each unit of credit awarded, or receive an acceptable score on the Advance Placement (AP) or a 4 on the International Baccalaureate (IB) exam for that subject matter.

- The 16 Core Competency Courses as defined by the Arizona Board of Regents; Tri-University Admission requirements are:

    4 units English;

    4 units Math;

    3 units Lab Science;

    2 units Social Science;

    2 units Foreign Language; and

    1 unit Fine Arts.

- A "C" in a weighted course (Honors or Advance Placement course) does not convert to a "B". The grade is as reflected on the student's transcript.

- If a student receives a "C" in any unit of credit of a core course (weighted or unweighted) he/she must complete one of the following options to remain eligible:

    1.   Retake the unit of credit and receive a "B" or better,

    2.   Take an additional unit of credit in that subject matter and receive a "B" or better; or

    3.   Receive an acceptable score on the Advance Placement (AP) Exam or 4 on the International Baccalaureate (IB) Exam for that subject area.
