

STATION/PERSONNEL INSPECTIONS

CHAPTER 7.10

Issued: January 2005

Revised: January 2018

Submitted by: Operations

Approved By: Deputy Chief

Personnel, stations, and equipment shall be inspected to ensure compliance with Policies and Procedures. Inspections will be conducted in two categories:

a. General:

Shall be conducted by the Company Officer of the unit and station they are assigned to. The form will include the names of the duty crew assigned to the apparatus on that day. The completed form shall be forwarded to the Chief of the District.

b. Detailed:

The Company Officer will have prior notice of the inspection and is responsible for preparing his crew, apparatus and station for the inspection. The detailed inspection will be conducted by a Chief Officer at their discretion.

The inspection forms will be used as a performance review reference.
