SEE SOMETHING, SAY SOMETHING

IF YOU SEE SOMETHING, SAY SOMETHING®

September 25th has been designated by the U.S. Department of Homeland Security as national “If You See Something, Say Something®” Awareness Day. Originally implemented by New York City’s Metropolitan Transportation Authority, “If You See Something, Say Something®” is a nationwide program to engage the public and key frontline employees to identify and report indicators of terrorism and terrorism-related crime to the proper law enforcement authorities. In simple terms, the program aims to educate all Americans to recognize and report suspicious activity in their neighborhoods and community.

WHAT IS SUSPICIOUS ACTIVITY?

Suspicious activity is any observed behavior that could indicate terrorism or terrorism-related crime. The infographic to the right from the [Department of Homeland Security](#) lists many of the signs of suspicious activity.

REPORTING SUSPICIOUS ACTIVITY

If you witness suspicious activity, please report it. If the activity is an imminent threat/emergency, please call **9-1-1**. Otherwise, please report the activity to your local law enforcement or to the Florida Fusion Center at 855-FLA-SAFE (855-352-7233).

Be prepared to tell the call-taker who and/or what you saw, when you saw it, where it occurred, and why you believe it’s suspicious. **A person’s race, ethnicity, religious affiliation or sexual orientation/identity does NOT constitute suspicious activity.**
