INFORMATIONAL GUIDELINES:	<p>The goal of an escort is to assist an entity with getting from point "A" to point "B" in a safe manner while providing law enforcement support in the event it is needed. This is a non-emergency action and as a general rule, we will adhere to the following guidelines unless otherwise stated in ACSO directive 763:</p> <ul style="list-style-type: none"> • As a general rule and unless exigent circumstances exist, lights and sirens will not be utilized during the escort. • As a general rule, and unless exigent circumstances exist, all escort vehicles must stop at red lights and stop signs. Contingency planning must cover how the escort will be brought back together if necessary. • As a general rule, and unless exigent circumstances exist, "leap frog" techniques will not be utilized at intersections with signal lights. • Due to the non-emergency nature of escorts, deputies will not be permitted to enter into an intersection against a red lamp indicator. In this instance, the escort must stop and wait for the light to turn green along with all other uninvolved traffic.
