I. SEXUAL ABUSE/ASSAULT AWARENESS

**The Alachua County Sheriff's Office
will not tolerate inmate sexual battery/abuse.**

While you are incarcerated, no one – neither inmate nor any staff member – has the right to pressure you to engage in any sexual act.

If you are victimized, report the incident IMMEDIATELY to a staff member. You may also call **491-4539**, toll-free, from any cell area to report the incident. Clearly state and SPELL your last name when leaving a message. Staff will immediately protect you from the assailant and will refer you for a medical exam.

Any sexual activity between inmates and staff, or inmate and inmate, is prohibited and will be investigated. Violators will be subjected to a full range of criminal and administrative sanctions.

A. Definitions

1. Inmate-on-Inmate Sexual Abuse/Assault – One (1) or more inmates touching or other actions and/or communications by one (1) or more inmates aimed at coercing and/or pressuring another inmate to engage in a sexual act. Sexual acts or contacts between inmates, even when no objections are raised, are prohibited acts.
2. Staff-on-Inmate Sexual Abuse/Assault – Engaging in or attempting to engage in a sexual act with any inmate or the intentional touching of an inmate's genitalia, anus, groin, breast, inner thigh or buttocks with the intent to abuse, humiliate, harass, degrade, arouse or gratify the sexual desire of any person. Sexual acts or contacts between an inmate and a staff member, even when no objections are raised, are always illegal.

B. Self-Protection and Prevention

1. While incarcerated, no one has the right to pressure you to engage in sexual acts. Inmates do not have to tolerate sexual assault or pressure to engage in unwanted sexual behavior.
2. Everyone can take steps to reduce the possibility of sexual assault. Some of those steps are:
 - a. Choose your associates wisely. Look for people who are involved in positive groups and activities.
 - b. Avoid being alone.
 - c. Do not accept gifts or favors from others. Most gifts come with a "string" attached.
 - d. Do not accept an offer from another inmate to be a protector.

- e. Avoid borrowing and becoming indebted to someone.
 - f. Find a staff person with whom you feel comfortable discussing your concerns about sexual misconduct.
 - g. Carry yourself in a confident manner. Do not permit your emotions (fear/anxiety) to be obvious to others.
 - h. Be alert! Contraband substances, such as drugs and alcohol, will weaken your ability to stay alert and make good judgments.
 - i. Be direct and firm, if others ask you to do something you do not want to do.
 - j. Stay in well-lit areas.
 - k. Trust your instincts. If you sense a situation is dangerous, it probably is.
3. It is NEVER appropriate for a staff member to make sexual advances, comments or to engage in sexual contact with an inmate. Even if the inmate wants to be involved with the staff member, the staff member is not allowed to respond.
 4. It is not appropriate for an inmate to approach a staff member in a sexual nature. This type of behavior is prohibited and corrective action will be taken to stop such behavior from occurring.
 5. Any sexual activity between inmates and staff or inmate and inmate, is prohibited and will be investigated. Violators will be subjected to a full-range of criminal and administrative sanctions.

C. Reporting Procedures

1. Sexual misconduct is prohibited, but it must be reported before action can be taken. Do not rely on anyone else to report misconduct. When it is experienced or seen, report it immediately.
2. If you are victimized, immediately report the incident to a staff member. You may also call 491-4539, toll-free, from any cell area to report the incident. Clearly state and spell your last name when leaving a message. Staff will immediately protect you from the assailant and will refer you for a medical exam. All allegations will be reported and investigated in a confidential manner.
3. Keep in mind a thorough investigation takes time. The investigation must clearly support or refute any allegation with evidence, information gathered from witnesses, and documentation.
4. After the investigation is finished, one of the following decisions will be reached:
 - a. There is sufficient evidence to conclude the allegation is true.
 - b. There is insufficient evidence to conclude whether the allegation is or is not true.
 - c. There is enough evidence to prove that the allegation is not true. This means the evidence shows that the inmate made a false allegation. If

the investigation proves the inmate made a false allegation, she/he is subject to corrective action being taken, including discipline.

- d. There is not enough evidence to prove that the allegation is true, but there is evidence to prove that another law, policy or rule was violated.

D. Treatment and Counseling

1. Even though you may want to clean up after the assault, it is important you advise staff immediately, or as soon as practical, and be seen by medical staff before you shower, wash, drink, change clothing or use the bathroom. Medical staff will examine you for injuries, which may or may not be obvious to you.
2. It is very important that you understand you can receive medical care. The medical care is for the purposes of treating any injuries and keeping you healthy. Medical information gathered during treatment is confidential.
3. Any form of coerced or illegal sexual activity is degrading and may result in psychological distress.
4. Inmates should be aware that trauma recovery is time-sensitive and needs to be addressed as soon as the problems are identified. Mental health staff members within the facility are available to help inmates recover from the emotional impact of sexual assault.

II. INMATE CONDUCT

A. General Rules and Guidelines

1. Inmates will obey all of the rules and regulations of the Alachua County Jail. Inmates will not display disruptive, threatening, or abusive behavior toward other inmates and/or staff.
2. If behavior is disruptive, disciplinary measures will be taken in accordance with the Alachua County Jail disciplinary charges and penalties.
3. Criminal charges may be filed as a result of criminal behavior.

Pepper Mace and Electronic Stun Devices

For the safety of staff and other inmates, this facility uses pepper mace and electronic stun devices for controlling unruly or aggressive inmates. If you are given a verbal order by a staff member to cease resisting, you should comply immediately to prevent possible application of an aerosol pepper spray or activation of an electronic charge that will incapacitate you. D. Telephone Use

Current inmate telephone service within the Alachua County Sheriff's Office-Department of the Jail is provided by Securus.

All problems relating to telephone service, either here at the jail or problems experienced by the friends and family members of inmates, MUST be referred to Securus by calling their toll-free help number: 1-800-844-6591.

NO ONE WITHIN THE DEPARTMENT OF THE JAIL FACILITY CAN CORRECT TELEPHONE USE PROBLEMS, SO, ALL CONCERNS FROM EITHER INMATES OR THEIR FRIENDS AND FAMILY MEMBERS MUST BE RELAYED TO THE ABOVE-LISTED TOLL-FREE NUMBER TO BE CORRECTED.

DO NOT CALL, NOTIFY OR WRITE ANY DEPARTMENT OF THE JAIL EMPLOYEES CONCERNING ANY TELEPHONE USAGE PROBLEMS AS THEY WILL NOT RESPOND TO ANY TELEPHONE-RELATED COMPLAINTS.

1. Instructions for telephone use:
 - a. Telephone calls require a personal identification number (PIN) consisting of eight (8) numbers. Your PIN will be the eight (8) numbers listed in your Booking or JBN number, which is located on your I.D. card. i.e., ASO09JBN001234 would provide the user a **PIN of 09001234 (plus your 2-digit month and day of your birth at the end)**. Therefore, if your birthday were January 07, 1987, the correct PIN number for telephone usage would be 090012340107, with the date of birth added correctly to the end of your Booking or JBN number.
 - b. The first time a PIN is used, you must clearly state your name correctly. If you fail to do so, you may experience a delay before being permitted to change your recorded name. In order to change your recorded name, you must call 1-800-844-6591 as no one here at the Department of the Jail is able to make these changes within the telephone system.
2. Adding numbers to your PAN list:
 - a. For PAN Management, Press nine (9).
 - Enter your PIN number now.
 - For adding new number or activating a current disabled number, Press one (1).

- Please enter PAN number now.
 - The number you entered is (recitation of number). If this is correct, Press one (1). To re-enter, Press two (2).
 - Please recall your called party's name after the beep.
 - This call is subject to recording and monitoring. You may hear silence during the acceptance of this call. Please continue to hold.
 - The phone will disconnect after the number is added and you can then call back to complete the call.
3. Deleting Numbers from your PAN list
 - a. For PAN Management, Press 9.
 - Enter your PIN number now.
 - For removing a number from your PAN list, Press 2.
 - Please enter the PAN number now.

 - Call is terminated.
 4. If you share your PIN or use another inmate PIN, all parties involved will receive disciplinary action and have their telephone privileges suspended for thirty (30) days.
 5. Calls made from inmate phones are subject to being recorded and monitored by DOJ Staff. If your family has any problems accepting your calls, tell them to call SECURUS at the toll- free number: 1-800-844-6591. Family numbers are not blocked by this facility unless specifically requested by the number's owner or they choose to manually block them when a call is received. However, some private telephone companies will block certain telephone calls and this issue must be addressed with the telephone service provider of the friend or family member who is experiencing problems. Access to the telephone is a privilege. Intentionally damaging a telephone may result in criminal charges, an Inmate Disciplinary Report, and delay the phone being repaired or replaced.
 6. Telephone privileges will be provided daily between 8:00 a.m. and 10:00 p.m.
 7. The telephone is a privilege and must be shared equally by all. Please be considerate of your fellow inmates to ensure everyone has access to the phones. All phone calls are free.
 8. Telephone calls of a threatening nature from an inmate to a second party will be investigated and prosecution may result. Additionally, loss of phone privileges may occur.

9. An inmate will be afforded a warning for the placement of a nuisance call to any reporting party. However, if the problem persists, the violator risks losing his/her phone privileges.
10. Disciplinary actions involving telephone restrictions shall not include the inmate's right to call his attorney or bond agent.
11. Inmates are not allowed to make calls to the offices of this facility, or to call staff members at home.
12. The inmate telephone system is designed to block all attempts for three-way calling, call forwarding, call waiting and calls placed on hold. Cordless and cell phones are detected as three-way calls. Therefore, it is recommended that the person you are calling use a standard phone. If the system detects an attempt by the party you called to activate any of these features, the call will be immediately disconnected. The person who accepts the call will receive a message prior to accepting the phone call informing them that attempting to use these functions will cause an immediate disconnect. Do not ask the person you call to do any of the mentioned functions.
 - a. Any attempt by a civilian/outside person attempting to assist an inmate in making a three-way call will result in their phone number being blocked for thirty (30) days.
 - b. Any inmates caught communicating by way of three-way calls will receive a Disciplinary Report.
13. Inmates who need to make emergency/essential calls need to submit a request to the caseworker. The caseworker will determine if there is an emergency or if it is essential to call.
14. Telephone Monitoring
 - a. All inmate telephones within the Department of the Jail have the capability of being monitored, and the conversation(s) recorded.
 - b. To ensure strict controls are placed on the monitoring capabilities, the equipment for monitoring the phones will be kept in a secure location with restricted access. It is not available for general use.
17. TTY
 - a. The Florida Relay 711 Service is available for inmates who are hearing-impaired. Contact the detention officer on duty for assistance with the 711 service because this feature is not available using the inmate telephone service. From a regular telephone, dial "9," then "7-1-1" to be connected to an operator who will assist you.
 - b. There is also a TTY (Telecommunication Device) phone available for inmates who are hearing-impaired. Contact the detention officer on duty for assistance with the TTY machine.

 - b. No inmate can leave his/her Commissary order to another inmate.

C. **Gain Time**

1. Inmates who are sentenced to the Alachua County Sheriff's Office Department of the Jail may be eligible for Gain Time, except those sentenced on civil charges, Contempt of Court or where otherwise specified by Court Order. Inmates **DO NOT** have a right to Gain Time. As allowed by Florida Statutes and Alachua County Ordinance, all awards and forfeitures of Gain Time will be at the discretion of the Director or his designee. In cases of serious misconduct, all or any part of an inmate's Gain Time may be taken away.
2. It is the policy of the Department of the Jail to make good faith efforts to fairly award the maximum allowed Gain Time to inmates who demonstrate good behavior, work willingly, and demonstrate meritorious conduct.
3. Gain Time will be awarded according to the following rules:
 - a. Five (5) days of Good Conduct Gain Time will be awarded for every twenty-five (25) days in which no charges of misconduct have been sustained against you. Gain Time will be based on the credit for time served given to you by your judge. Gain Time is not prorated. You have to serve all of the twenty-five (25) days before you receive the five (5) days' award. No Good Conduct Gain Time is awarded for prior incarcerations.
 - b. The Gain Time that may be awarded for being an inmate worker (Trusty or Pod Worker) is one (1) day for each six (6) days you are on inmate worker status during this incarceration. No inmate worker Gain Time will be awarded for prior incarcerations.
 - c. Gain Time of up to three (3) days may be awarded for the completion of Life Skills or Substance Abuse programs during the current incarceration only. The maximum award is three (3) days for ALL of the programs you complete within every thirty-day period. The Programs Manager must provide the necessary information in writing to the Gain Time Coordinator in order for the inmate to be awarded Program Gain Time.

- d. Gain Time may be awarded for an outstanding deed or service as recommended by a staff member in writing and approved by the Director.
 - e. The total number of inmate workers and programs Gain Time may be earned in a thirty (30) day period is five (5) days.
 - f. The maximum of all Gain Time earned is ten (10) days per month.
 - g. Gain Time audits maybe be performed by inmate request. Loss, gain, or, no change in Gain Time awards may be the result of an audit.
4. Some important points to remember about Gain Time:
- a. A Gain Time award of any kind may not reduce your “Estimated End Time” day-for-day.
 - b. The effect of a Gain Time award on the time you have left to serve will depend on how much Gain Time you receive in the period in which it is applied.
 - c. The shorter the time you have to serve, the less effect Gain Time will have on your release date. For example, unless you will serve enough time to earn six (6) or more inmate worker Gain Time days, the inmate worker Gain Time you earn probably will not affect your release date.
 - d. Completing a program does not mean you will automatically receive Gain Time for it. For instance, you won’t receive Gain Time for classes that overlap another class, were taken while you were an inmate worker, or that would cause you to earn more than three (3) days of Gain Time for every thirty (30) days for program classes.
 - e. There is no additional Gain Time for “extra” or “special” work. Working hard and doing what you are required to do is what being an inmate worker is about.

D. In-House Programs

- 1. Check the General Programs and Privileges Availability Schedule (back cover) to determine if your classification allows you to participate in these programs.
- 2. Inmates who wish to participate in the listed programs/services and are eligible to do so must submit an Inmate Program Consent Form. By doing so, the inmate understands that refusal to attend as scheduled without seven (7) days prior written notification on an Inmate Request Form may result in disciplinary sanctions.
 - a. The Library is an official branch of the Alachua County Library District.
 - i. Inmates may check out a maximum of two (2) books, religious, GED or Life Skills-related materials. Books may not be transferred from one housing unit to another. Books must be turned in when the inmate is released or moved to another housing area.
 - ii. Library time for eligible housing areas is scheduled by the Librarian. Each eligible pod has sixty (60) minutes of library time. Inmates have the opportunity to read books, perform legal

research, or listen to tapes. Inmates on administrative segregation status or maximum security status do not receive library privileges without special permission. Inmates in these areas will be allowed to check out books through the book cart.

- iii. Books on law in the library are available during normal library hours for general population, along with special hours for those qualifying inmates who cannot be mixed with general population. Pro se Inmates housed in units which do not normally go to the library must fill out a request form and direct it to the Security Operations Captain.
- iv. Inmates who are determined to be representing themselves in a criminal case against them, appeal of a criminal conviction, a case referencing conditions of confinement, or other civil litigation, will be provided upon written inmate request, twenty-five (25) pages per request of specified case law, or copies of case relevant legal paperwork. A maximum of three (3) requests per week will be allowed. Additional requests will not be honored.
