This Form is for Informational Purposes Only

This form has been provided to you as a courtesy. Information on this form will help you complete your personal Accident Report Form for DMV.

Oregon law requires you to file an accident report with DMV within 72 hours if:

- Damage to the vehicle you were driving is over \$2,500;
- Damage to the property other than a vehicle is over \$2,500;
- Damage to any vehicle is greater than \$2,500 and any vehicle is towed from the scene of the crash due to damage from the crash;
- There is injury or death resulting from the crash.

You must report an accident even if it happened on private property that is premises open to the public, like a store parking lot.

You can get an Accident Report Form from your local law enforcement agency, your local DMV, and/or DMV website at www.oregondmv.com.

Failure to report an accident will result in the suspension of your driving privilege. This suspension will be effective for a period of five years, or until DMV receives a report, whichever is less. You may also be required to file proof of insurance for three years.

Oregon law requires all motor vehicle owners to maintain liability insurance coverage. DMV checks the insurance information on all accident reports. If DMV finds you were uninsured at the time of the accident, or you fail to show proof of insurance on the Accident Report Form, DMV will suspend your driving privilege for one year, and then you must file proof of insurance for three years after the suspension.
