- 4. Officers whose PAV is out of service for maintenance or repair shall use a pool vehicle during their regularly assigned shifts or other department business, but must return the pool vehicle to the police facility at the end of their shift or upon conclusion of department related business unless the officer is in an on-call status or the Chief of Police has authorized an exception.
- 5. Assignment of PAVs is at the discretion of the Chief of Police. Priority consideration may be given to the following eligible officers who request a personal vehicle assignment:
