

# Financial Services Manual (FIN)

## FIN 118: Competition with Private Enterprise

Effective: 6/4/1993

Revised: 7/1/2022

### Purpose

To provide guidance in situations where university departments are submitting bids for providing goods/services in competition with private enterprise

### Sources

*Arizona Board of Regents Policy Manual* - 1–105

University policy

### Policy

If a university department desires to provide goods or services to individuals or entities outside of the University, the department must first submit a formal business plan to Financial Services for review and approval.
