## PTS 101: Parking Permit Sales and Vehicle Registration

Effective: 2/10/1956

Revised: 7/1/2025

### Purpose

To describe the vehicle registration and parking permit sales process at ASU

### Sources

*Arizona Revised Statutes §§ 15–1627, 28–2001*

*Arizona Board of Regents Policy Manual - 5-102*

*ASU Parking Rules and Regulations*

### Applicability

Anyone operating or parking a vehicle at all ASU campuses

### Policy

Registration with the Permit Sales Office is required for all vehicles parked on university property, excluding those parked in areas designated for visitors.

Vehicle owners must register their vehicles and certify compliance with the State of Arizona Emissions Standards at the Permit Sales Office and purchase the proper parking permit in order to park in designated areas on campus.

Permit holders who desire to park in the same lot the following year may be required to renew their permits during the renewal period. Failure to renew during the renewal period may result in loss of parking privileges for that particular lot.

Faculty, staff, and students may purchase a parking permit for their vehicles in person or [online](#). Parking permit renewals are also available using online services. Check transactions must be handled in person. All vehicles, regardless of the state registered, must acknowledge compliance with the State of Arizona Emissions Standards in order to receive a university parking permit to park on campus.
