

# **Research and Sponsored Projects Manual (RSP)**

## **RSP 301: Limited Submission of Proposals**

**Effective:** 1/1/1987

**Revised:** 3/1/2022

### **Purpose**

To define how to receive institutional approval when the sponsor limits the number of proposals that ASU may submit

### **Sources**

Knowledge Enterprise (KE)

Research Development

### **Policy**

Sponsor guidelines may limit the number of proposals they will accept from a single institution.

To become eligible to submit a proposal for a limited submission opportunity, interested parties must submit an internal application to Research Development in accordance with the instructions available on RSG's [Web site](#).

Selected candidates will be notified by email.

For more information on other Research Development activities, please see their [website](#).
