Policy

1. Rules Compliance Determination – The Compliance Office will decide whether a reduction, cancellation, or nonrenewal of athletics aid complies with Arizona Board of Regents, Big 12, and NCAA rules and regulations.
2. Policy Scope – This policy does not apply to student-athletes on multi-year athletics aid agreements who have voluntarily decided not to return to ASU at the end of a term (e.g., student-athletes transferring to another institution) or student-athletes who receive permissible one-year awards (e.g., one-time exception).
3. Appeals – Student-athletes may appeal decisions to modify the financial terms of their awards. Hearings will take place in accordance with ASU institutional policy. (See [SSM 303–05](#), “Athletic Grant-In-Aid Appeal Process”).
