Policy

ASU Counseling Services, located on the Downtown Phoenix, Polytechnic, Tempe, and West Valley campuses, provides psychological services that include clinical, developmental, preventive, and educational interventions. These services are limited and designed to support students' academic and personal goals. ASU Counseling Services also assists students experiencing mental health emergencies (see [SSM 602–01](#), "Mental Health Emergencies").

See the [ASU Counseling Services' Web site](#) for detailed information on services provided.
