By Order of the Police Commissioner

POLICY

This policy provides guidance on the Baltimore Police Department's (BPD) enforcement of Misdemeanor Theft offenses.

It is the policy of the Baltimore Police Department (BPD) to:

- Issue Criminal Citations when a citation represents the most effective and least intrusive response appropriate under the circumstances as reasonably understood by the member(s) at the time consistent with the goal of advancing public safety.
- Issue Criminal Citations without regard for the race, gender, ethnicity, disability, national origin, age, religion, sexual orientation, or gender identity of the person to whom the citation(s) shall be issued.

CORE PRINCIPLES

Constitutional Enforcement. Members may only enforce Lesser Offenses, whether by issuing a warning, issuing a citation, or making a custodial arrest (See Policy 1106, *Warrantless Arrest Procedures and Probable Cause Standard*), where consistent with Fourth Amendment requirements — i.e., when they have probable cause to believe that a person has committed or is committing a criminal infraction or citable offense. In addition, such enforcement must also be consistent with other constitutional requirements, such as avoiding selective enforcement arising out of discriminatory bias (Fourteenth Amendment) or in retaliation for protected speech. (See Policy 317, *Fair and Impartial Policing* and Policy 804, *First Amendment Protected Activity*).

Non-Discriminatory Policing. Members are prohibited from relying, to any extent or degree, on a person's race, ethnicity, national origin, religion, gender, sexual orientation, age, disability, gender identity or expression, or affiliation with any other similar identifiable group as a factor in conducting a field interview, investigative stop, vehicle stop, weapons pat-down, search, or arrest except when physically observable as part of an actual or credible description of a specific suspect or suspects in any criminal investigation that includes other appropriate non-demographic identifying factors (such as clothing or associated vehicle). See Policy 317, *Fair and Impartial Policing*.

Most Effective and Least Intrusive Response. A fair and effective response to a violation of the law balances public safety and order in the community against the serious impact of law enforcement action (e.g., loss of liberty; humiliation and stress; loss of income, employment, or housing) on the individual believed to have committed the violation. Where effective in resolving the violation in accordance with law and policy, problem-solving such as a verbal warning is generally preferable to a citation, and a citation is generally preferable to an arrest. As arrest is a last resort, members should refrain from making an arrest unless doing so reasonably advances the goal of public safety or addresses significant or

Policy 812 MISDEMEANOR THEFT PROCEDURES Page 2 of 7

chronic community disorder, and the situation cannot be resolved in a less intrusive manner that is authorized by law and policy.

Community Partnerships. The BPD continuously works with residents and neighborhood leaders to fully understand issues facing the City's diverse communities, and to co-develop strategies in order to address those issues. In addition to the advancement of public safety goals, the enforcement of Lesser Offenses must also align with the interests and priorities of the communities which the BPD serves.

DEFINITIONS

Eligibility Requirements – In order to find someone eligible for a Criminal Citation, a member must:

- Have probable cause to believe that a person has committed or is committing a criminal infraction.
- Be satisfied that they have obtained the subject's identity whether through an Acceptable ID from/of the person or the member is able to obtain the subject's identity through additional investigation or computer checks.
- Reasonably believe that the person will comply with the Criminal Citation. Failure to sign a Criminal Citation does **not** indicate a failure to comply.
- Reasonably believe that issuing a Criminal Citation does not pose a threat to public safety (i.e., the underlying offense for which the citation will be issued does not indicate a potential for additional disturbance or destruction by the person after the member's departure).
- Verify that the person is not wanted on any outstanding criminal warrant (See Policy 1021, *Immigration Status*).
- Ensure that the person is not also arrested (1) for a felony arising out of the same incident, (2)

Misdemeanor Theft – Including shoplifting, Misdemeanor Theft occurs when an individual takes, deprives, uses, conceals, or abandons another person's property that is valued at less than \$1,500.

DIRECTIVES

Responding to Misdemeanor Theft Calls for Service

- 1. If probable cause exists that the individual has committed the Misdemeanor Theft violation, members shall stop the individual and address the call for service by:
 - 1.1. Obtaining an acceptable ID from the person.
 - 1.2. Conducting a warrant check on the person.
 - 1.3. Obtaining a central complaint number from the Communications Section for theft.
 - 1.4. Supplying the business owner/victim with the following:
 - 1.4.1. Name, address, and date of birth of the person.
 - 1.4.2. The central complaint number.
 - 1.4.3. A Maryland Crime Victims and Witness Brochure.

Policy 812 MISDEMEANOR THEFT PROCEDURES Page 3 of 7

- 1.5. Members may issue a Criminal Citation or explain to the business owner/victim the procedure for obtaining a criminal summons from the Office of the Court Commissioner. The owner/victim may obtain a criminal summons for misdemeanor shoplifting offenses from the Office of the Court Commissioner.
- 1.6. Complete and submit an Incident Report containing property information for each item and citation information if a citation was issued.
- 2. Members may arrest the individual if the individual did not meet the Eligibility Requirements for a citation AND with approval from a permanent-rank supervisor. (See Policy 803, *Criminal Citation Procedures*, and 1106, *Warrantless Arrest Procedures and Probable Cause Standard*).
- 3. If the victim does not wish to pursue charges or summons on the person, members may attempt to determine if the person is eligible for participation in the LEAD program via Arrest Referral (See Policy 806, *Law Enforcement Assisted Diversion*).
- 4. If the individual is no longer on the scene and is not found after a brief area canvass, members shall provide the Misdemeanor Theft victim with a Maryland Crime Victims and Witness Brochure.

On-View Misdemeanor Theft

- 5. A member may stop an individual if the member possesses reasonable articulable suspicion that the individual is committing or has committed Misdemeanor Theft in the member's presence.
- 6. At the initiation of the stop, members shall activate their body-worn camera (BWC) and follow the procedures in **Responding to Misdemeanor Theft Calls for Service** above to properly investigate the on-view offense.
- 7. If the member has probable cause based on personal observation or review of surveillance video footage, and they intend to issue a Criminal Citation for the Misdemeanor Theft provided less-intrusive measures are ineffective, there is no corresponding authority to conduct any type of search incident to arrest / non-consensual search. Examples of Misdemeanor Theft citations are available for reference in Appendix A (Misdemeanor Theft Between \$100 \$1,500) and Appendix B (Misdemeanor Theft at less than \$100).
- 8. The member completing the stop shall complete an Incident Report and describe in detail the specific, articulable circumstances that led to the investigative stop and, when applicable, the probable cause that led to issuing a citation, the citation information, and a legible image of the citation (See Policy 1112, *Field Interviews, Investigative Stops, Weapons Pat-Downs & Searches*).

Special Considerations

- 9. Members shall investigate **felony** theft calls for service according to existing arrest policy (See Policy 1106, *Warrantless Arrest Procedures*).
- 10. Members shall investigate Misdemeanor Theft calls for service with youth suspects in accordance with the enforcement guidance found in Policy 1202, *Youth Interactions*.

MISDEMEANOR THEFT PROCEDURES

REQUIRED ACTION

Member Reporting Requirements for Arrests

- 11. For all arrests made, members shall complete arrest reports, including properly documenting the probable cause for each arrest, by the end of the member's shift during which the arrest occurred. Both the Incident Report and the SPC shall contain sufficiently detailed information explaining or describing why:
 - 11.1. A citation would not have abated the problem; or
 - 11.2. Why the person was not eligible for a citation.
- 12. If a business owner experiences repeated incidents of Misdemeanor Theft, members may notify their district's Neighborhood Coordination Officers (NCOs) to engage in problem-oriented policing with the victim(s).

Supervisor Responsibilities

- 13. Supervisors shall review each arrest report of members under their supervision for completeness and adherence to law and policy. Supervisors shall memorialize their review by approving or rejecting the report with notes for corrections by the end of their shift, absent exceptional circumstances.
 - 13.1. If exceptional circumstances do exist, the supervisor shall document what the exceptional circumstances are in an Administrative Report, Form 95, and submit it to their supervisor.
 - 13.2. If deficiencies are identified through the review, additional investigation or remedial action may require up to three working days to complete the review.
- 14. Supervisors shall review reports and forms for deficiencies including:
 - 14.1. "Boilerplate" or language that comes to a conclusion without providing supporting detail, inconsistent information, lack of articulation of the legal basis for the action, or other indications that the reports or forms may contain information that was not accurate at the time it was reported.
 - 14.2. Arrests following stops where the justification for the stop appears to be based on information or evidence discovered *after* the stop was initiated. Such stops, as well as subsequent law enforcement action, are unjustifiable.
 - 14.3. Arrests that are unsupported by probable cause or are otherwise in violation of the law or BPD policy.
