Reporting Category	Definition		
Assessment	Assessment includes services provided and activities performed to determine an individual's eligibility for Employment/Vocational Rehabilitation (VR) services, to assign an individual to a priority category of a VR program that operates under an order of selection, and/or to determine the nature and scope of VR services to be included in the Individualized Plan for Employment (IPE). It also includes trial work experiences.		
Pre-ETS Assessment	In accordance with an approved IPE, assessments can be provided to eligible Students with a Disability and charged to the reserve fund as long as the assessment is in support of a Pre-ETS Required Activity.		
Service Title	Hourly Rate	Flat Rate	Service Description
Adaptive Technology	\$135 Uncertified \$180 Certified		Adaptive technology assessments include an in-depth assessment of specific assistive technology tools that can be accessed by customers to support their visual and learning needs.
Low Vision Exam	\$200	N/A	Low vision exam consists of an in-depth exam where the optometrist or ophthalmologist who specializes in low vision reviews the individual's prescription and checks their current vision abilities. The exam identifies vision goals and identifies tools to assist the individual being examined to live independently. The low vision exam includes a review of vision history, vision test (visual acuity, visual field, Amsler grid, depth perception, and color vision), eye health exam, prescription review, and functional eye exam.
Youth Low Vision Exam	N/A	\$250	Youth Low Vision Exam fee is in alignment with the Youth Low Vision Policy.
Orientation & Mobility	\$135 Uncertified \$180 Certified		Orientation & mobility assessments are used to determine the customers' orientation and mobility strengths and needs with consideration to their level of vision (medical diagnosis and functional capacity), use and proficiency of travel tools, independence in travel in familiar and unfamiliar environments, and spatial/environmental conceptual understanding.
Psychological	\$208.50 Uncertified \$278 Certified		A psychological assessment should consist of an in-depth assessment of disability and barriers to employment. Psychological assessments may be used to diagnose and identify secondary disabilities such as anxiety, depression, ADHD, and autism spectrum disorders.
Neuropsychological	\$300 Uncertified \$400 Certified		A neuropsychological assessment is a performance-based method to assess cognitive and behavior functioning that may include intellectual abilities, learning disabilities, sensory perception, motor function, executive functions and problem solving, behavioral concerns, language abilities, visual-spatial skills, abstract reasoning and analysis, and information processing. This method has been used to examine the cognitive consequences of brain damage, brain disease, and severe mental illness.
Skills of Blindness	\$149 Uncertified \$199 Certified		Skills of blindness assessment is to include an in-depth review of the individual's assistive technology skills, adaptive tools for home navigation, mobility aids for outdoor navigation,

Rates are determined by the market and industry standards paid by both the General and Blind Vocational Rehabilitation Agencies.

BSBP Fee for Service Titles and Rates

			adaptative cooking tools, personal care and hygiene tools, financial tools for managing money, skills for social interaction, and education and skill development.
Vocational Evaluation/Testing	\$81.75 Uncertified \$109 Certified	N/A	Vocational evaluation provides comprehensive vocational assessment services to individuals with a range of disabilities, education levels, and work experience. The assessment results support job planning and placement and enable individuals to make an informed choice. As a result of vocational assessment, individuals should have enhanced self-awareness and vocational decision-making abilities; they have gained knowledge of their strengths, limitations, and interests, as well as how their abilities and interests correspond to opportunities in the labor market. Identifying barriers and how to address and overcome them are also part of the vocational assessment process.
Trial Work Experience	\$68	N/A	The trial work experience is structured to assess areas of concern that call into question an individual's abilities, capabilities, and capacity to perform in a Competitive Integrated Employment (CIE) setting. Structured in community-based CIE settings to the maximum extent possible. Evaluation activities include analysis of the ability to participate in supported employment or customized employment settings.
Reporting Category	Definition		
<i>Basic Academic Remedial Literacy Training</i>	<i>Literacy training or training provided to remediate basic academic skills that are needed to function on the job in the competitive labor market.</i>		
Service Title	Hourly Rate	Flat Rate	Description
Adult Literacy or Remedial Training	\$103.88	N/A	Adult Literacy or Remedial Training provides basic academic skills that are needed to function in a Competitive Integrated Employment (CIE) position. The following adult literacy, remedial training, and high school diploma/equivalency programs are available: Adult Basic Education (ABE) - Instruction for reading, language, writing, and math skills below the 9th-grade level for adults with or without a high school credential. Adult Secondary Education (ASE) - Instruction for reading, language, writing, and math skills above the 8th grade level for adults with or without a high school credential. English as a Second Language (ESL) - Instruction in reading, speaking, writing, and understanding the English language. Family Literacy - Activities with specific child and parent components that help family members to better support their children's learning needs and improve the family's economic prospects. Integrated Education and Training (IET) - Academic instruction, workforce preparation activities, and workforce training delivered together for educational and career advancement. Integrated English Language and Civics Education (IELCE) - This program helps individuals learn or improve English language skills and civics education in combination with integrated education and training. Workplace Literacy - Adult education

Rates are determined by the market and industry standards paid by both the General and Blind Vocational Rehabilitation Agencies.
