ANIMAL SHELTER SUPERVISOR

CLASS CHARACTERISTICS

Under direction, to plan, organize, and supervise shelter services, operations and personnel in accordance with state and county laws and regulations; to coordinate, facilitate and implement services, rules and programs; and to do other work as required.

DISTINGUISHING CHARACTERISTICS

The Dog Services Division administers the County's animal control program to enforce State and County laws and regulations governing the care, control, impounding, protection, licensing and disposal of animals. The Division also operates and maintains the County's animal shelter which houses stray, abandoned and dangerous dogs.

The Animal Shelter Supervisor supervises the services, operations and staff of the County's animal shelter. The incumbent is responsible for ensuring animal health, customer service and education, facility standards and policies, and staff/volunteer performance. The Animal Shelter Supervisor receives direction from the Animal Control Manager, and serves as division manager in the Manager's absence.

The Animal Shelter Supervisor differs from the Animal Services Manager which administers and manages activities of the County's Dog Services Division which includes field enforcement section activities. The Animal Shelter Supervisor provides paraprofessional veterinary care similar to the Animal Health Technician but also has supervisory and day-to-day shelter operations responsibilities.

TYPICAL TASKS

Duties may include but are not limited to the following:

- 1. Oversees and is responsible for day-to-day shelter services, operations and animal health and welfare; resolves program issues and problems; evaluates program services; responds to citizen questions and complaints about shelter operations; performs behavioral observations and assessment of animals; coordinates maintenance of facility; determines appropriate County or outside resources to address and resolve maintenance and repair issues; coordinates with staff Veterinarian to maintain the overall herd health of the animals in the shelter.
- 2. Hires and supervises animal care, animal health and veterinarian staff; schedules and assigns work; prepares performance evaluations; recommends and administers progressive discipline and termination; conducts and facilitates staff training and development programs; supervises, schedules, assigns work and facilitates training of volunteers; promotes

cooperative team efforts among staff and with other County departments; motivates employees to provide quality care for animals and customer service to citizens.

- 3. Participates in budget development; prepares cost estimates and justifications for budget recommendations; monitors revenues and controls expenditures; recommends fees; recommends and purchases supplies and equipment; ensures maintenance of medication and durable goods inventories; coordinates inventory control.
- 4. Develops, revises, recommends and implements policies and procedures; coordinates with staff Veterinarian to ensure compliance with the standards of the Association of Shelter Veterinarians; ensures compliance with state regulations for drug storage, facility licensure, and euthanasia certifications; maintains fire, safety, health and sanitation standards within the facility.
- 5. Participates in planning and implementation of public relations and education activities for Dog Services Division; makes presentations to community groups and conducts public relations and education activities to promote the adoption, redemption, licensing and proper care of dogs; participates in fund raising projects.
- 6. Transports animals to and from outside veterinarian/veterinary clinics, local rescues and other shelters.
- 7. Performs euthanasia as necessary; oversees disposition of animals in a humane, safe, clean and efficient manner.
