RE: Policy Bridging

Good Morning,

With my appointment as Interim Chief of Police for the Cedar Park Police Department, with the effective date of November 6th, 2026, this document serves to communicate that all General Orders, Policies, Directives, and Standard Operating Procedures that are currently in effect by former Chiefs of Police will remain in effect until I approve any revisions.

I would also like to confirm my commitment to our Accreditation and Recognition programs. Any changes made as they relate to our General Orders, policies, and procedures will consider CALEA and TPCAF Best Practices Recognition standards.

Respectfully Submitted,

Interim Chief Chanse R. Thomas
