RE: Policy Bridging

---

With my appointment as Interim Police Chief for the Cedar Park Police Department by City Manager Brenda Eivens starting February 28<sup>th</sup>, 2020, it is critical to communicate that all General Orders, Policies, Directives, and Standard Operating Procedures that are currently in effect by our former Chiefs will remain in effect until I approve any revisions.

I would also like to confirm my commitment to the Accreditation and Recognition programs. Any changes made as they relate to our General Orders, policies, and procedures will comply with CALEA Accreditation and TPCAF Best Practices Recognition Program standards.

I am available if there are any questions regarding these matters.
