SO 25-17 Amendment to SOP 2-80 Arrests, Arrest Warrants, and Booking Procedures

2-80-1 Purpose

The purpose of this policy is to set forth the procedures that comply with federal, state, and local laws for exercising arrest powers by Albuquerque Police Department (Department) sworn personnel.

2-80-2 Policy

It is the policy of the Department to empower sworn personnel to arrest individuals who have committed a felony and/or misdemeanor. It is also the policy of the Department to follow the

PROCEDURAL ORDERS

SOP 2-80

correct legal procedures that are required when arresting, booking, and filing charges against such individuals.

N/A 2-80-3 **Definitions**

A. Exigency

A situation known to sworn personnel prior to or at the time of a warrantless arrest which does not necessarily amount to an imminent threat of danger, escape, or destruction of evidence, but provides sufficient factual basis for making the warrantless arrest, such as an on-the-scene arrest based upon probable cause.

B. Exigent Circumstances

An emergency situation requiring swift action to prevent imminent danger to life, to forestall the imminent escape of an individual, or prevent the destruction of evidence.

C. Probable Cause to Arrest (Seize)

When facts and circumstances within an officer's knowledge or, on which an officer has reasonably trustworthy information, are sufficient to warrant a reasonable person to believe that an offense has been or is being committed by the individual arrested.

5 2-80-4 **Arrests**

A. Felony Arrest Authority

1. Sworn personnel may make felony arrests through the authority of an arrest warrant, or based on probable cause, specific statutory authority to arrest, plus exigent circumstances, or an articulable exigency that prevents securing an arrest warrant imminently.

a. When feasible, sworn personnel shall make probable cause, custodial felony arrests for all:

- i. Violent crimes, including but not limited to, kidnapping, homicide, aggravated battery, aggravated assault, robbery offenses, criminal sexual penetration and contact, and felony domestic violence;
- ii. Felony narcotic offenses; and
- iii. Felonies in progress, including, but not limited to, violent crimes and property crimes.

2. For crimes that are not listed above, sworn personnel may choose to arrest an individual for a felony crime based on probable cause, instead of merely submitting a criminal case to the District Attorney for consideration for indictment.

B. Misdemeanor/Petty Misdemeanor Arrest Authority

ALBUQUERQUE POLICE DEPARTMENT
PROCEDURAL ORDERS

SOP 2-80

Effective 02/06/2026 Review: 02/06/2027 Replaces 01/30/2025

1. Sworn personnel shall issue a citation or summons for non-violent misdemeanor offenses, unless they can articulate and clearly document what facts or circumstances necessitated making a custodial arrest for that offense.
 - a. The individual's lack of a fixed address is not justification for making a custodial arrest for a non-violent misdemeanor offense.
2. When responding to calls for service for misdemeanor or petty misdemeanor violation(s), the officer shall:
 - a. Take appropriate law enforcement action to enforce violations:
 - i. Complete a Uniform Incident Report for every case;
 - ii. Issue a separate misdemeanor citation when an individual has committed multiple offenses;
 - iii. Provide a physical copy of the citation to the individual at the time of issuance; (an email copy is not sufficient);
 - iv. Advise the individual that they have five (5) working days in which to appear at the Bernalillo County Metropolitan Court, and if they fail to appear, a warrant may be issued for their arrest; and
 - v. If no law enforcement action is taken, the officer shall note the reason on the Computer-Aided Dispatch (CAD) system or in a Uniform Incident Report explaining why no enforcement action was taken.
 - b. After establishing reasonable suspicion or probable cause for a misdemeanor offense, conduct a warrant check on the individual(s).
 - i. If the individual(s) has an outstanding misdemeanor warrant(s), sworn personnel shall make an arrest and complete a Criminal Complaint rather than issue a misdemeanor citation.
3. Sworn personnel may:
 - a. Make arrests on misdemeanor crimes that occur in their presence.
 - b. Make a custodial arrest without an arrest warrant for a misdemeanor criminal offense that has occurred outside their presence, provided probable cause, statutory authority to arrest, and exigent circumstances, or an articulable exigency exists which would imminently prevent securing an arrest warrant.
4. When an individual's criminal behavior appears to originate from a behavioral health disorder and they would benefit from receiving care at a treatment facility rather than entering the criminal justice system, sworn personnel may seek such interventions in lieu of criminal charges.
 - a. The officer's decision to divert an individual from the criminal justice system shall only apply to non-violent misdemeanor and non-violent felony cases.
5. Sworn personnel shall include the reason the arrest was necessary in the narrative of their Uniform Incident Report.
