**1. REMINDER TO OFFICERS CONDUCTING A CUSTODIAL TRANSPORT**

Department personnel are reminded Procedure 12,110, Handling Suspected Mentally Ill Individuals and Potential Suicides, requires officers transporting suspected mentally ill individuals to Psychiatric Emergency Services (PES) to complete a Minor Aided Case report in the Records Management System (RMS).

Officers are also reminded Procedure 12.430, Endangering Children, requires making a blotter entry, which includes notification to Personal Crimes Squad (PCS), whenever officers place children in the physical custody of 241-KIDS and there is a concern about endangerment. This both documents the officer's actions as well as serves as a secondary notification for PCS.

**2. SUBMISSION AND APPROVAL OF FORM 678, CHANGE IN COURT APPEARANCE, TO BE CLOSELY SCRUTINIZED**

The Hamilton County Prosecutor's Office contacted the Department to share concerns regarding a significant increase in change of court requests (Form 678) submitted for Common Pleas cases. Compared to 2021, there was a 23% increase in change of court requests through November of this year.

Members are reminded that only illness, injury, or cases scheduled on days previously entered in CMS as vacation or training days qualify for submission of a Form 678. Supervisors shall thoroughly review the circumstances with the officer prior to approving a Form 678.

Personnel are reminded Form 678 does not eliminate the need for the affected Common Pleas case prosecutor to be contacted, as far in advance as possible, to be made aware of the officer's absence. Notification shall be made by either the requesting officer or the approving supervisor as the situation dictates.

**3. TRAINING OPPORTUNITY – AXON FOR INVESTIGATORS**

Host/Sponsor: Police Records Section and Police Training Section

Course Title: **AXON for Investigators**

Presenter: Police Officer Christina Smith

Date/Time(s): Monday, January 16, 2023, 0800-1100 hours, or  
Wednesday, January 18, 2023, 1200-1500 hours, or  
Friday, January 20, 2023, 0800-1100 hours

Location: Cincinnati Police Academy, Computer Lab

The **AXON for Investigators** course has been designed to employ the "train the trainer concept" enabling investigators from District Investigative Units, District Violent Crimes Squads, CGIC, Narcotics Unit, Vice Squad, and Personal Crimes Squad to categorize BWC videos and create files in AXON.

The course will benefit all investigators, enhance case and court preparation, and prevent BWC evidence from being deleted.

Each of the District Investigative Units, Violent Crimes Squads, and other units/squads referenced above should send a minimum of two investigators to this course to become the “trainers” for their units of assignment.

Names of selected officers and their preferred session date to attend should be submitted to the Police Academy via email at **CPDTrainingUnit@cincinnati-oh.gov** by the district or unit administrative supervisors not later than **Tuesday, December 26, 2022**.

Personnel may attend on duty with the approval of their supervisor. No overtime will be provided for personnel attending this training. Attendees shall wear conservative business attire or the operational uniform. Direct any questions regarding this training to Administrative Specialist Ashley Hiett, Police Training Section, at 513-357-7552.

#### **4. CAREER DEVELOPMENT – THE PATH TO HONOR GUARD / MARINE PATROL**

Course Title: **The Path to Honor Guard / Marine Patrol**

Presenter: Lieutenant David Sprague and Sergeant Nathan Asbury

Date/Time(s): Monday, February 20, 2023, 1500 – 1700 hours

Location: Cincinnati Police Academy, Room B

“**The Path**” is a series of individual, two-hour long, career development presentations, sponsored by the CPD Military Liaison Group. The purpose of the topic-specific presentation each month is to offer personnel with a career guidance educational opportunity.

Sworn personnel interested in voluntarily attending this training must submit a completed **Form 17TR, Training Request**, through the chain of command, to be received at Police Training Section by **Monday, January 30, 2022**. In addition to submitting a hard copy, an electronic copy of the Form 17TR must be emailed to the Police Academy at **CPDTrainingUnit@cincinnati-oh.gov**.

Do **NOT** initiate a request to attend this training through the Records Management System (RMS). Police Training Section will complete all registrations, manage the entries into RMS, and notify personnel approved to attend.

Personnel may attend on duty with the approval of their supervisor. No overtime will be provided for personnel attending this training. Attendees shall wear conservative business attire or the operational uniform. Direct any questions regarding this training to Administrative Specialist Ashley Hiett, Police Training Section, at 513-357-7552.

**Police Officer Brett Loeding**  
**District Three Patrol**  
**2300 Ferguson Road**  
**Cincinnati, Ohio 45238**

I wish to extend my thanks and official commendation to you for the following:

On November 26, 2022, District Three Units responded to a shooting at 3650 Glenway Avenue. Responding officers located a sixteen-year-old victim who sustained a gunshot wound to her back. Additionally, the victim was nine months pregnant and her baby was delivered during trauma treatment at the hospital.

Then, on December 4, 2022, District Three Detective Alexander McCoy received information the shooting suspects were operating a dark blue Volkswagen Jetta near Price Avenue and Summit Avenue. Police Officer Brett Loeding and Tyler Merritt, working in plainclothes, responded to the area and located the vehicle which was unoccupied at the time, and maintained a surveillance position. Police Officer James Mathews and Police Officer Anthony Salyers, both operating marked police vehicles, also responded to the area in preparation for a traffic stop.

Eventually, all three suspects in the shooting offense, Mr. Juan Aguilar, Mr. Eli Gutierrez and Mr. Angel Llanes, exited a convenience store in the area, entered their vehicle, and began travelling on Grand Avenue. Officer Loeding and Officer Merritt made a radio broadcast that included the direction of travel, which assisted Officer Mathews and Officer Salyers in intercepting the vehicle. A traffic stop was conducted at 1048 Grand Avenue where all three suspects were placed into custody without incident. In addition to arresting three dangerous felons, the involved officers also recovered two firearms, a drum style magazine, ammunition, and multiple bags of marijuana. The guns and ammunition were consistent with casings recovered at the original shooting crime scene.

As a result of your quick response and coordinated efforts, a safe and positive resolution was attained as dangerous armed felons were taken off the streets. Throughout this incident, you exhibited unrivaled bravery, professionalism, and passion to carry out your service as a police officer. Your acts have made the City of Cincinnati a safer place to live and prove you are a credit to the Cincinnati Police Department.

Sincerely,
