

Summer Camp 2025!

Here is a short summary of what you can expect for Summer Camp. Please keep this paper as a reminder!

Dates and Time of Service

- **Summer Camp will start June 2, 2025, and will end August 8, 2025.**

Note: We will be closed on Thursday June 19th and Friday July 4th.

Daily Schedule – They **MUST** wear gym shoes every day!

Your child/children will have a structured daily schedule from the time they come into the building until the time they leave, below are some of the things we will provide:

- Breakfast, Snack, and Dinner
- Swimming
- Field Trips
- Physical Play
- Arts & Crafts

Daily Items – Bring these **EVERY** day!

- optional, you may also pack lunch or extra snacks. **There is no refrigerator or microwave available.**
- Water Bottle
- Swimsuit & Towel – flip flops **ONLY** allowed on pool deck
- Gym shoes & extra clothes

Do Not Bring -

Cell Phones and Electronics- We are not responsible for lost, stolen or damaged items. Please do not send your child to camp with a cell phone. If staff see a phone they will take it and return it to the parent/guardian at the end of the day. If the parent needs to contact the child, please call the center.

Communication

Our door is always open for communication when it comes to your child/children!

Derriahna Chatman - Administrator (CCD)

If I am not in, you may also speak to the staff listed below:

Full-time Staff – A full-time staff member should be on site for you to speak to at all times.

WELCOME!

Welcome to [Evanston Recreation Center](#)! We are pleased that you have selected our program, and we look forward to working with your child(ren). Please be assured that our staff will strive to create a positive program environment where your child(ren) will be safe, learn, and have fun.

This Summer Camp handbook is created to help you, as parents/guardians, to better understand our program. Please acquaint yourself and your child(ren) with our staff and this handbook. If you have questions or concerns about any of this information or our program, please feel free to ask CRC staff. WE ARE HERE FOR YOU!

Purpose

This handbook is designed to familiarize you with our policies and procedures to ensure open communication concerning your child's growth, development, and safety. It clearly defines the center's responsibilities toward the parent/guardian and the parent/guardian's responsibilities toward the center. These policies cannot be changed on an individual family basis. The policies apply to all parents/guardians, and it is the responsibility of the Camp Coordinator/Administrator to enforce these policies on behalf of the Recreation Commission. Please review these policies and feel free to direct any questions, comments, and/or concerns to the Camp Coordinator/Administrator. Your feedback is valued and appreciated.

Updates

While the handbook describes the Cincinnati Recreation Commission's current program, policies and procedures, the childcare business is complex and ever changing. The parent handbook is updated annually, however, there may be times when we must change the policies, procedures, or programs with little or no prior notice. The Cincinnati Recreation Commission reserves the right, in its sole discretion, to modify or change the policies, procedures or programs in whole or in part, at any time. If major policy changes are made to the handbook at any other time throughout the year, the Camp Coordinator/Administrator will make copies or flyers noting the policy change available to all parents/guardians. It is the responsibility of the parent/guardian to check for updates.

CRC Philosophy

Established in 1927, the Cincinnati Recreation Commission provides recreational, cultural, leisure, and educational activities for Cincinnatians of all ages and abilities. CRC's network of recreation centers, senior clubs, pools, golf courses, fields, and other facilities is vital for Cincinnati's continuing growth and leadership. The Cincinnati Recreation Commission provides recreational and cultural activities for all the people in our neighborhoods and the whole community. We believe that by enhancing people's personal health and wellness, we strengthen and enrich the lives of our citizens and build a spirit of community in our city.

State Licensing Information

Evanston Recreation Center is licensed by the Ohio Department of Children and Youth. Our license is posted on the Program Information Board located in lobby. We are currently licensed for a maximum enrollment of 60 school age children. At the end of the handbook, you will find an attachment about licensing and other valuable information. Please take the time to read this information. The laws and rules governing our day camp operation are available for review upon request. In addition, the program's licensing record: including compliance and inspection reports, are available upon request from the ODCY. The website for the Bureau of Child Care and Development's website is <https://childrenandyouth.ohio.gov>. The ODCY has a toll-free number which may be used to report a

suspected violation of the childcare laws/rules. This number is posted on the ODCY license as well as their website. (1-877-302-2347)

Summer Camp Hours and Day of Operation

Summer hours are 7:00pm-6:00pm, Monday - Friday. Camp will run from June 2nd, 2025 - August 8th, 2025.

CRC follows all major holidays. **The following days we will not be in session:**

- June 19th, 2025
- July 4th, 2025

Enrollment

A child is considered to be enrolled in our program only after the enrollment paperwork (such as: Form 1234, Forms 1217 & 1236 if needed, 1225 & 1226 if needed, the handbook, as well as possible other CRC or SUTQ required paperwork) has been completed and reviewed by the site Administrator, the child(ren) are in the KinderConnect system, and the site Administrator confirms the availability of space and start date.

No payment is due at the time of registration, but you will receive a receipt showing your child has been enrolled in the camp. Any changes to the information provided must be communicated to the site Administrator immediately so that current information is always on file. This is for the safety of your child(ren) and all participants. Until all actions occur your child(ren) will not be permitted to attend Summer Camp.

Fees/Charges

All City Membership Fee – \$2.00

Registration fee \$25 per child

Every child must have a CRC All City Membership to attend Camp CRC. Memberships can be purchased online at www.cincyrec.org or in person at your nearest CRC recreation center.

Camp CRC Fees – Cash Pay (SUTQ Bronze Rated Facility) – this is if you DO NOT have vouchers.

Full Time	7:00am – 6:00pm	\$210/ week (per child)
------------------	------------------------	--------------------------------

The fee for families that are cash pay is due on the Friday prior to when childcare will be provided. In the event of illness, full payment is expected. In the case of an extended illness, the parent/guardian must speak to the Camp Administrator to work out fees for retaining the child's space in after-school. Full payment is due for weeks, that include a holiday or vacation.

Child Care Choice Voucher

Families must be registered by the 1st of the month for childcare services to be covered by the voucher. Families will be required to pay a portion of the childcare cost and any other related childcare fees, if applicable, directly to the recreation center. The amount of the cost is determined by the balance of the current program's fees not covered through the childcare choice voucher. If the fee owed is not paid within 2 weeks of invoice, participation will be suspended until payment is received.

Copays

If you receive Childcare Vouchers you may have to pay a copay, this is dependent upon the information you send in to ODCY, the center does not set this price. Copayments are due Fridays prior to the next week of camp. However, you must pay the copay for your child/ren to attend. Your site Administrator can work out a payment plan with you. Payments will start as soon as your child(ren) start care. If your child attends even just 1 day a week for 1 minute, your entire payment is due. Failure to pay your copays will result in the removal of your child/ren from care and a report sent into ODCY which could result in the removal of your ODCY Vouchers.

Withdrawals

Parent/Guardians wishing to withdraw their child(ren) may do so at any time, however, we ask that be communicated in writing to the SDC Coordinator as soon as possible so that a child on the waitlist may be enrolled. If a parent/guardian withdraws before camp starts (June 2nd, 2025) they may receive a refund for any payments made (please note the \$200 registration deposit is non-refundable). After July 5, 2025, there will be no refunds for withdrawals from the program.

Fee Process

All checks are to be made payable to CRC. Weekly fees must be given to front desk staff, and you will receive a receipt for all fees paid. Our tax ID number is 31-6000064.

Evanston Recreation Center is a SUTQ Bronze rated center, and all fees are established by the ODCY SUTQ process. To provide an adequate level of service and to keep fees to a minimum, it is imperative to collect all fees in advance of providing services. Fees are considered late in the following instances:

1. A participant is receiving program benefits for which no prior payment has been received.
2. A participant has not paid in a timely manner the amounts required by a scheduled payment plan.
3. A check written for services has been dishonored because of insufficient funds.

We cannot deduct days missed/absent from your fee. Your fee pays for direct operating costs, staff, and materials. When you enroll, you are reserving the time, space, staffing, and provisions for your child(ren), whether he/she attends. In cases of hospitalization or extended illness, verified by a physician, credit may be issued after discussion with the Site Administrator or Service Area Coordinator.

Delinquent Accounts/Returned Checks

To provide an adequate level of service and hold fees to a minimum, it is imperative that all fees be collected and processed on time. Failure to make payments by the deadline will result in forfeiting your child's spot in the program. Your child cannot attend camp, and you will not be permitted to register for new programs until fees are current. There is a \$30.00 service charge for all checks returned for insufficient funds. The amount owed plus the service charge must be paid immediately by cash, credit card, money order, or certified check. We reserve the right not to accept additional personal checks.

Late Pick-up Charges

A fee of \$15.00 every 15 minutes (per child) late will be assessed to any parent/guardian picking up a child after their camp day ends at 6:00pm. For example: 6:00-6:15pm = \$15, 6:16-6:30pm = \$30 and so on. The late fee will be due at the time of pick up. Persistent failure to adhere to the pickup deadline may result in the child's dismissal from the program. If a child has not been picked up by 7:00pm and a parent/guardian or emergency contact cannot be reached, CRC staff are required to call the Cincinnati Police and/or 241-KIDS for assistance.

Delinquent TAP Reporting

The Time and Attendance Program (TAP) requires parent/guardians to accept transactions via cell phone app, iPads within CRC licensed childcare sites, or via computer. CRC Administrators need your attention to ensure that you are accepting transactions which ensure payment from ODCY for services rendered. Please be advised, it is the parent/guardian responsibility to TAP their child(ren) out each day of the Summer Day Camp program. Center staff will be available to assist in demonstrating how to complete this responsibility as needed.

Parents/guardians will receive written communication, from CRC as to specific days/times that need to be completed and/or approved. The Administrator(s) at your site will provide this written communication every two weeks as needed.

If the parent/guardian does not use any of the three methods to remedy the transactions yet to be approved, attendance for the child will be suspended until the transactions can be approved within the Time and Attendance Program (TAP).

Absence Policy for Families receiving Publicly Funded Childcare Assistance (Vouchers)

The state of Ohio absence policy for families receiving vouchers is as follows:

- Allowable payment for 20 absences only from January to June and another 20 absences only from July to December.
- Once 20 absences have been exceeded in that 6-month time frame the State will no longer pay when children are not in attendance.
- Families who exceed their allotted 20 absences will have to pay the difference in tuition when the child is absent and a minimum of 7 hours / 25 hours are not met.
- Absent days are not used during a weekly cycle if the child has been in attendance over 7 hours / 25 hours.
- Parent/Guardian will receive a letter via email and a physical copy upon the 10th absence from the program to alert them to the excessive absences.
- Excessive absences will result in withdrawal from our program. This withdrawal will be accompanied by a letter outlining the excessive absences and information about re-enrollment if/when space is available.

Staff/Child Ratios and Maximum Group Size

The Ohio Department of Children and Youth has provided the following maximum ratios for staff to participants: The staff/child ratio charts are posted in all rooms utilized by the license group.

- **Young School-agers**
 - **Enrolled in/eligible to be enrolled in kindergarten or above and less than 11 years**
 - **1:18 – Max Group Size 36**
 - *CRC exceeds these ratios with a 1:15 ratio*
- **Older School-agers**
 - **At least 11 & less than 15 years**
 - **1:20 – Max Group Size 40**
 - *CRC exceeds these ratios with a 1:15 ratio*

Staff/child ratios are subject to change according to recommendations from ODCY licensing in response to COVID-19 or other global communicable diseases *

Supervision Policy

A major responsibility of the CRC staff is to ensure the health and safety of each child entrusted in our care. CRC staff individually and collectively will work to maintain a safe and healthy program environment, including (but not limited to) anticipating possible hazards, and taking necessary appropriate precautionary and preventative measures. All children must always remain in eye and ear sight. Also, adequate staff levels will be maintained in accordance with ODCY's requirement of a 1:18 staff/child ratio or 1:20 staff/child (for younger/older school-agers). The Evanston Recreation Center does not offer a preschool program.

Since we are a community center and share our center with others, a CRC staff member will escort all school-aged children to all activities, restrooms, and outdoor play areas. CRC staff will always keep all children in eyesight while also making sure they are always listening.

Program Participation

Each child is placed with a group of children who are close in age or grade, depending on the registrants. Programs are planned to be developmentally appropriate to the age and ability level for each group and children are encouraged to participate.

Program Accessibility

CRC's Division of Therapeutic Recreation ensure that all programs and services offered by the Cincinnati Recreation Commission are in accordance with Title II of the Americans with Disabilities Act. If you feel accommodation may be necessary for your child's successful participation, we ask that you advise us in advance of the need for services. Parents/guardians must request accommodation for their child(ren) by completing a Request for Accommodation Form. The CRC Division of Therapeutic Recreation will require 14 - 21 days minimum to ensure adequate time for staff to assess the request and to determine the need for reasonable accommodation. Based on the level/type of accommodation needed, your child may be placed on a waitlist until all accommodation and support services can be provided. You can call the Division of Therapeutic Recreation directly at 513-352-4013. TDD #513-352.4058.

Appropriate Clothing

Please dress your child(ren) appropriately each day for running, jumping, playing, and having fun. Participants **must** wear gym shoes and socks due to the nature of planned activities. If your child(ren) does not have appropriate footwear, they may not be able to participate in some activities.

Outdoor Play

Research has shown that children stay healthier when they have daily outdoor play. Based on this information outdoor play will be included in our program daily. We will limit the amount of time outside when the temperatures are very warm or very cold. Due to ODCY licensing rules children will not be taken outside when the temperature (wind chill and heat index factored in) drops below 25 degrees or rises above 90 degrees unless water is involved. Additionally, we will take into consideration weather that may include but is not limited to inclement weather, humidity, ozone levels, pollen count, lightning, rain, or ice. On days that outdoor play is not provided due to the weather conditions, we will include plenty of time indoors for gross motor activities.

**** Outdoor play is subject to change to meet CDC and licensing rules mandates.**

Inclement Weather

On rare occasions, it may be necessary to close the center due to poor weather conditions. We will

make every effort to contact parents/guardians via email or phone. Please ensure that we have your most current phone number and email address. Additionally, you can check the CRC website at www.cincyrec.org or look on our Facebook, IG, and X pages.

Arrival/Departure

Parents/guardians are required to sign their child(ren) in/out at the front desk upon arrival/departure. Please speak to your site Administrator for specific check-in/check-out instructions. Any special messages, special pickup notes, etc. are to be given to front desk staff. CRC staff must be made aware of each child's presence before the parent departs. At the end of the day, parents/guardians must come in and sign their child(ren) out. Please be sure to speak to CRC staff to ensure that they are aware that the child(ren) has been picked up. Parents/guardians are responsible for the supervision of their child(ren) before they are officially in/out of the care of CRC staff.

Release of a Child

The parents/guardians and authorized escorts (documented on the 1234 application) are the only people to whom we will release your child. If at any time you have someone not previously authorized to pick up your child, advanced notice must be given via written note. The new escort must show a photo ID before the child(ren) will be released to them. Staff will check IDs of anyone they do not recognize. If advanced notice of a new escort is not received, staff will call you to gain your authorization before the child(ren) are released. If you cannot be reached, your child will **not** be released. Unauthorized escorts which are also within the application, your child(ren) will not be released to listed person(s). Non-custodial parents are permitted access to their child(ren) unless a court order is on file.

Please Note: No child will be released to a parent/guardian or escort who appears to be under the influence of mind-altering drugs or alcohol. Emergency contacts will be called to transport the child home. Police will be notified if necessary.

Custody Agreements

If there are custody issues involved with your child(ren), you must provide the center with court documents indicating who has permission to pick up the child. The center **cannot** deny parent access to their child without proper documentation. Unauthorized individuals may not be permitted to engage with a child during camp hours, regardless of the location.

Absent Day Policy

If your child(ren) is going to be absent we ask that you immediately contact your site Administrator and please provide the following information: the reason (illness, vacation, appointment, etc.) and length of absence (number of days). Please remember that via your ODCY Childcare Vouchers your child(ren) only has 10 unexcused absences that can be used in the KinderConnect (voucher) system. Failure to call your site Administrator or if you go over your 10 unexcused absences will result in your responsibility to pay for services rendered and may result in the removal of your child(ren) from the program.

Children Arriving to the Center from Other Programs

At times it may be necessary for a child to arrive at the center from another program (Example: A Summer Camp child who arrives at the center from another Summer Program) If a child is scheduled to arrive and does not, we will first contact the parent to confirm that the child is scheduled to be at the center that day. If we cannot get ahold of the parents and we have the resources, we will also

contact the program from which they should be arriving. For this reason, it is very important that parents contact the center when their child is not going to attend for the day.

Child Abuse Reporting

All staff members are mandated reporters of child abuse. If staff have suspicions that a child is being abused or neglected, they **MUST** make a report to the local children's services agency. The safety of the children is always our first concern.

Daily Schedule

Due to the nature of our program, our schedule is flexible to provide different experiences for the participants, both at and away from the center. However, to provide an idea of what each week looks like, we have included a sample schedule for our program.

Example:

7-9: Arrival/Breakfast/ Individual/Small Group Activities/Low Organized Games

9-5: Individual/Small Group Activity/Art Craft/STEAM Project/Outside/Gym/Field Trip/Swimming/Lunch

5-5:30: Dinner

5:30-6: Individual/Small Group Activities/Low Organized Games

Note: If a child wants quiet time or wants to rest, if the schedule allows it the child will be provided with a cot to do so. However, Evanston Recreation Center does not have scheduled nap times as we serve school-aged children. We also do not provide evening or overnight care.

Field Trips

During Summer Camp we will have weekly field trips which will require us to go off site, for this we will use a licensed CRC Van or a contracted yellow school bus. We may also have walking field trips to places such as Evanston Park. During these trips, staff with CPR, first aid, child abuse, and communicable disease training will be present. Before departing the center, a count will be taken of all of the children, and they will mark on a separate attendance sheet, specifically created for the trip. Upon arrival at the destination, another count will be taken to ensure that all the children have safely arrived. This process will be repeated upon leaving the destination and returning to the center. During the course every trip, each staff member will be assigned specific children for whom they are responsible. Before any child participates in a field trip, the center will obtain written permission from the parent or guardian (Form 1226 – Field Trip and/or 1225 – Routine Trip)

Swimming Information

Swimming and water activities are included in your child's program on a weekly/daily basis. When at any CRC pool, a lifeguard will always be present and CRC staff will be actively supervising the children. Your child(ren) will be tested by the pool staff on the first day to determine their swimming level. Children under the age of 7 will not be permitted to use diving boards, slides, or climb walls at CRC pools. **Please remember to send a bathing suit, towel, and sunscreen for your camper every day even if a pool isn't on schedule as there will be plenty of opportunity for water games. Plus, the pool is on site, which we will be able to utilize daily.** If your child burns easily, please include a lightweight swim shirt or rash guard that they can wear over their swimsuit.

Emergency Transportation

The center will not transport children in emergency situations. If a child requires emergency transportation to the hospital, the child will only be released to EMS or a parent/guardian.

The majority of first aid cases at the center will be minor in nature; however, each case will be given prompt attention. CRC staff will administer emergency first aid, as required, within the limits of their training.

Procedures to be followed in the event of an accident include:

- Calming the injured child.
- Administering first aid, within the limits of staff training.
- Contact the parents immediately if warranted.
- Calling "911" when necessary (they will transport to the hospital).
- Completing an accident report (copy is available to the parent/guardian).

Behavior Expectations

CRC works to cultivate self-discipline, a sense of responsibility, a respect for authority, and a consideration for the rights of others. The object of all imposed discipline is to promote clear, ordered thinking and acting, which must be present for this growth to take place. All campers are expected to comply with the following rules:

CENTER RULES

- Walk throughout the building, running is for outside and gym play times
- Keep their hands and feet to themselves
- Use inside voices at all times, screaming is only for emergencies.
- Ask and wait for permission before leaving a room
- Keep track of all personal belongings
- Clean up after oneself
- Have food and drinks in designated areas only
- Foul language is prohibited
- Respect others and their property
- Wear shoes at all times, except during swim time
- Treat the center with respect
- Follow the rules of the center
- Fighting or engaging in rough play is prohibited

VAN RULES

- Wear a seat belt at all times
- Keep body parts inside
- Children in front seat is prohibited
- Food or drink in the van is prohibited
- Have camp leaders only operate the side door
- Yelling and screaming is prohibited
- Keep their hands and feet to themselves
- Face forward

WALKING TRIP RULES

- Walk safely on the designated path, sidewalk, trail, or crosswalk
- Follow the directions of the adults leading the group
- Be aware of surroundings and follow safety precautions
- Maintain a close distance with the group
- Yelling or screaming is prohibited
- Keep their hands and feet to themselves
- Face forward while walking

- Sit no more than 1 to a seat
- Face forward
- Keep body parts inside
- Yelling or screaming is prohibited
- Standing on the bus is prohibited
- Food or drink on bus is prohibited
- Be aware of the emergency exits
- Board and exit in an orderly fashion

Guidance Policy

The Cincinnati Recreation Commission strives to maintain a safe, positive atmosphere in all programs and facilities. Participants are expected to treat others with respect and to abide by all Recreation Center and Recreation Commission rules of conduct. CRC staff members will promote positive behavior and implement various strategies designed to minimize the need for disciplinary action. This includes clarifying behavioral expectations and reinforcing positive behavior. When disciplinary action is necessary, it will be applied in a consistent manner with consequences appropriate to the level of behavior. Certain disciplinary techniques are considered inappropriate and are **strictly prohibited**. All CRC staff are to follow ODCY Rules 5101:2-12-19.

Note: If a participant becomes physically aggressive, becoming a threat to themselves or others, a properly trained staff can utilize a protective hug when all verbal interventions have been exhausted, and the individual presents an immediate danger to themselves or others. A protective hug is used as a **last resort** when all other means of de-escalation have failed, and action is needed to prevent injury. You can find this rule in the ODCY Rules 5101:2-12-19.

Participant Behavior/Discipline Guidelines

Behavior Level	Violations Include:	Recommended Disciplinary Action
Category One	Program/activity disruption, defiance, disrespect, dishonesty, profanity, other center/program rule violations, physical acts towards others (Level 1) *	Center based consequences may include parent notification. Multiple/repeat incidents or more severe incidents may warrant brief suspension (1-3 days) ** (May require an Incident or OOPS Report)
Category Two	Verbal threatening, harassment, intimidation, racial slurs, possession of banned items/substance, gambling, false alarms, vandalism (minor), theft (minor) other safety violations, physical acts towards others (Level 2)*	Parent notification, possible suspension (1-6 weeks). Multiple/repeat incidents or more severe incidents may warrant lengthier suspension. (Incident Report is required)
Category Three	Vandalism (major), theft (major), extortion, weapons possession, breaking/entry, serious safety violations, physical acts towards others (Level 3) *	Suspension (3 months-1 year), possible expulsion. May include police action, payment of repair/replace costs. Multiple/repeat incidents or more severe incidents may warrant immediate and permanent expulsion (CRC-wide) (Incident Report is required)

* Physical acts towards others (categorized as Level 1, 2, or 3) will be evaluated based on several factors, including degree of provocation, intent to injure, and severity of act.

** Suspensions beyond one day from the program must be approved in advance by the Site Administrator/Service Area Coordinator.

Suspensions of three days or longer may require a parent/participant/staff meeting prior to reinstatement. This meeting may include the development of a behavior contract.

NOTE: Additional behavioral expectations may be established for specific programs. Violations of these program specific rules will be enforced as directed in supplemental parent/participant guidelines.

Review Process: If a participant (or parent/guardian of participant) believes the disciplinary action is unfair or unjust, a meeting to discuss the action may be requested. This meeting would include the CRC Staff member(s) observing the behavior/violation and the site Administrator.

NOTE: These behavioral guidelines may not apply to participants with disabilities (those having submitted an Accommodation Request Form) as the Americans with Disabilities Act requires us to develop specific, individualized strategies (behavioral support plan) to address negative behaviors.

Parent Responsibilities:

- **Letters Home:** All letters sent home due to behavior must be signed and returned before the child may return to camp.
- **Loss of Trip:** Participant is not permitted to come to camp the day of lost trip.
- **Parent Called:** Parent has 1 hour after initial call to pick up their child.
- Consistent discipline problems will not be tolerated. If a change in behavior is not made, the result could be the dismissal from camp. *
- With a cooperative effort by the child, these actions by staff and parents can be avoided.
- **All employees will adhere to the same guidelines as the participants.**
If the child demonstrates behavior that requires frequent extra attention from the staff member, we may choose to develop and implement a behavior management plan. This plan would be developed in consultation with the parents and would be consistent with the requirements of Rule 5101:2-12-19 OAC

*** **Any child that may be expelled from the program the site Administrator will document and immediately let ODCY know via the OCLQS portal.**

Accidents/Emergencies

CRC takes every precaution to ensure the safety of all in our care. The following describes our procedures for weather emergencies and natural disasters.

Emergency squads will be contacted to transport children in an emergency as long as signed off on Form 1234. If parents/guardians do not give consent for emergency transport on Form 1234 then CRC staff will immediately contact parent/guardian for them to make the decision on what the Recreation Center should do with their child(ren).

CRC has devised several procedures to follow if an emergency occurs while a child is in the care of the center. In the event of fire or tornado CRC staff will follow the written instructions posted in each room utilized by the licensed program describing emergency evacuation routes and the procedures to follow to ensure that the children arrive at the designated spot. To prepare children for the unlikely need to evacuate they will take part in monthly fire drills, periodic tornado drills, and quarterly lockdown drills. A document of these drills is in the site Administrators Office.

Should we need to evacuate due to fire, weather condition, loss of power, heart/water to the building the written instructions posted in each room utilized by the voucher program describing emergency evacuation routes and the procedures to follow to assure the children and staff safety. A posted sign on the front door of the Recreation Center indicates that we have been evacuated and the location of where you can pick up your child. We make contact of parents/guardians as soon as possible to come and pick up your child(ren). If we cannot reach a parent/guardian, we will contact the emergency contacts listed on your child's application (Form 1234). CRC staff continue to take attendance into account for all children.

In the unlikely event there would be an environmental threat or a threat of violence, CRC staff will secure the children in the safest location possible. The written instructions posted in each room are utilized by the licensed program describing the procedures to follow to assure the children and staff safety. The site Administrator will let all staff know at what level the threat is by the designated authority. We then will contact the parents/guardians as soon as the situation allows. In addition, an incident report would be provided to the parents/guardians in 24 hrs. time.

There is always at least one CRC staff member present that has received training in First Aid/CPR/Communicable Disease. In the event of a minor accident/injury staff will administer basic first aid and TLC. If the injury/illness were more serious, first aid would be administered, and the parents would be contacted immediately to assist in deciding an appropriate course of action. If a participant receives a severe bump or blow to the head, or for any injury/illness is life threatening, the

EMS will be contacted, parents will be notified, and a staff member will accompany the child to the hospital with all available health records. **CRC staff may not transport children in their personal vehicles.** Only parents/guardians or EMS will transport. If a CRC staff member must accompany a child to the hospital, clinic, doctors, etc. for emergency treatment the staff person in charge will take the child's complete health record with him/her.

On the same day an accident or injury occurs, an incident/injury report will be completed, and given to the person picking up the injured child. A form will be completed if any of the following occur: the child has an illness, accident, or injury which requires first aid; the child receives a bump or blow to the head; the child must be transported by EMS; or an unusual or unexpected event occurs which jeopardizes the safety of the child. If a child requires emergency transportation, the report shall be available within twenty-four hours after the incident occurs. The center shall also document in OCLQS within 24 hours when there is a "general emergency" or "serious incident, injury or illness".

Management of Illness

One of the goals of CRC is to provide children with a clean and healthy environment. However, we realize that children become ill from time to time. We ask you not to bring a sick child to the center. They will be sent home! Please also plan and have a back-up care plan in place if you are not able to take time off from work/school.

A child with any of the following symptoms will be immediately isolated and discharged to the parent or emergency contact:

- Any symptoms associated with Covid19
- Temperature of 100 degrees F - in combination with any other signs of illness
- Diarrhea (more than three abnormally loose stools within a 24-hour period)
- severe coughing (causing the child to become red in the face or to make a whooping sound)
- Difficult or rapid breathing
- Yellowish skin or eyes
- Redness of the eye or eyelid, thick and purulent (pus) discharge, matted eyelashes, burning, itching, or eye pain.
- Untreated skin patches, unusual spots, or rashes
- unusually dark urine or grey or white stools
- Stiff neck with an elevated temperature
- Evidence of untreated lice, scabies, or other parasitic infestation

Lice: Severe itching and presence of lice and nits (eggs). When warranted, head checks will be done. An infected child can return to our program when all three conditions are met: 1) a head inspection is scheduled with our day camp director; 2) there are no nits, and all evidence of lice is gone. We encourage parents to talk to their child about the spreading of lice, i.e., sharing combs, towels, and hats etc.

- Vomiting more than once or when accompanied by any other sign of illness
- Sore throat or difficulty swallowing
- Any evidence of contagious diseases such as Covid-19, chicken pox, ring worm, and lice

Ring Worm: Common symptoms are itching, redness on the skin and a circular patchy lesion clearing at the center. Campers must have written medical clearance that ring worm is being treated and is no longer communicable prior to returning to camp.

Any child demonstrating signs of illness not listed above will be isolated in a designated space within the center, with a cot away from the rest of the children and will be carefully observed for symptom changes. The site Administrator will notify the parent/guardian immediately. If a parent/guardian does not answer the site, the Administrator will move on to emergency contacts based upon symptoms of the child. If a child does not feel well enough to participate in center activities the parent/guardian will be called to pick up the child. Any time a child is isolated they will be kept within sight and hearing of CRC staff. The cot and any linen used will be washed and disinfected before being used again.

Parent/Guardian will be notified if children have been exposed to a communicable illness. Children will be re-admitted to the center after at least 24 hours of being free of fever without a fever reducing medication or in the case of COVID-19, with written confirmation of a negative test. If they are not symptoms free a doctor's note will be required stating that the child is not contagious.

All employees will adhere to the same guidelines as the participants.

Care of Non-Immunized Children

Immunizations or vaccines are critical to keeping your child and the other children in the program healthy. However, as required by the Ohio Department of Health, Ohio State law makes provisions for non-vaccination of children whose parents object to vaccines for medical, religious, or philosophical reasons. Therefore, in the event of an outbreak of any disease listed on the immunization exemption form, children without required vaccinations may be subject to exclusion from the center and/or classroom for the duration of the outbreak. This action is necessary not only to protect the child, but the remainder of the children and staff of the classroom.

Medications

No medication, vitamins, or special diets may be administered until Form 1217 is completed and signed by the parent/guardian, signed by the child's physician, and returned to the site Administrator for review. Form 1236 must be filled out by parent/guardian for medication training. Site Administration and CRC staff will need to be trained in proper administration and the parent/guardian, and the site Administrator will need to sign off on the document before medication can be stored on site and administered. Forms 1217 and 1236 are available upon request at the Recreation Center. Parents must submit a new medication form(s) every 12 months. CRC's Division of Therapeutic Recreation ensure that all programs and services offered by the Cincinnati Recreation Commission are in accordance with Title II of the Americans with Disabilities Act including the administration of medication or other medical supports that may be necessary.

Only prescription medication will be administered. The medication must be in pill, capsule, or liquid form. Prescriptions must be in a clearly marked container from the pharmacy. The label must show the child's name, the dosage directions, doctor's name, and prescription number. Prescription medications will be administered in accordance with instructions on the label. If parents request any different dosages or uses, a physician must provide written instructions on the Request for Medication form (Form 1217). Medications will be stored in a designated area inaccessible to children. Written in form 1236 school-age children may carry and administer their own emergency medication such as: inhaler/epi-pen/etc. Anytime a child is unable to maintain control of their emergency medication it must be handed directly to the CRC staff responsible for the child.

Evanston Recreation Center oversees school-age children, we do not require immunization records for school age children that are enrolled in public, nonpublic or charter schools. However, if your child(ren) is home schooled and their immunization records are not monitored by a school system you will need to provide Evanston Recreation Center immunization records for said child(ren).

Medications - Food Supplements or Modified Diets

If your child requires a food supplement or a modified diet due to any food allergies/intolerance, you must fill out Form 1217 and/or 1236 with written consent from parent/guardian and the child(ren)'s physician. There is a religious exemption form the center can provide to you if food items are to be omitted for religious/cultural reasons.

Meals and Snacks

We do not have refrigeration or a microwave accessible for children to heat or refrigerate any food that a child may bring into the center. No pop or energy drinks are allowed. Evanston Recreation Center will only provide Breakfast, snack, and dinner at Summer Camp! These meals will be provided by UMC – a copy of the food license and center exemption can be found in the site Administrators

office in a binder.

These meals must consist of nutritional food from the following food groups: (minimum portion sizes for a 3–6-year-old) protein (1 ½ oz.), grain (½ slice bread or 1/4 c pasta, etc.), and two foods from the fruit/vegetable group (½ c.). Fluid milk is also required.

Students enrolled for full days receive breakfast, lunch, and snacks. A middle of the day meal consisting of one third of the recommended daily allowances of vitamins and foods from each of the four food groups will be served. The children will receive prepackaged food provided by our food service agency, UMC Food Ministry. We offer the children each meal with all components, and we encourage them to try all foods served that day.

Weekly menus are posted in the Licensed Childcare room. Any substitutions will be noted as they occur by the Administrator directly on the menu. Any diet eliminating the use of any one of the four food groups or dietary allowances as required by Child Care Licensing must be written, signed, and dated by the child's attending physician. The parent is responsible for any substitute items. CRC and our food service agency (UMC Food Ministry) are committed to our families addressing and promoting good health.

When the meal is provided by the parent/guardian it should include, at a minimum, one serving of dairy, one serving of meat or meat alternative, two servings of vegetables and/or fruits (one serving of each is recommended) and one serving of bread or grains. The center will provide storage of food that meets the requirements of [5101:2-12-22 Appendix A](#).

Toys and Electronics

Children are asked to leave **ALL** toys, handheld games, cell phones, etc. at home. Staff cannot, and will not, be responsible for children's toys/electronic devices. This policy may have exceptions made as needed, if determined to be a part of the appropriate accommodation for a participant through the inclusion assessment process. Exceptions will only be made as a part of a participant's inclusion plan, not by center staff.

Parent Participation

Parents are always encouraged to participate whenever possible in the activities at the center. Parents may have access to all areas of the building used for childcare during hours of operation. We require that any parent or guardian who wishes to stay with their child during the entire day complete a volunteer background check with the City of Cincinnati. CRC staff are available to discuss a child's progress or needs at any time. However, due to staff responsibilities and schedules, parents are asked to make appointments with staff when it is necessary to engage in any lengthy conversations. Your site Administrator will have their hours of availability to meet posted near/in their office.

Note: Due to Covid19 we are asking that parents/guardians get permission from the Site Administrator/Service Area Coordinator before making a visit.

If parents/guardians have any concerns or questions at any time, it is recommended that the following chain of command be used until an answer or solution is found:

1. Community Center Director (CCD)/Site Admin
2. Service Area Coordinator (SAC)
3. Supervising Recreation Coordinator (SRC)

Employees with concerns are asked to follow the same chain of command, starting with the site Administrator. Please feel free to bring concerns up when they occur. Often, they can be addressed when they are little problems, before they grow into bigger problems. CRC staff fully realize that you are trusting us with your little ones, and we want our relationship to be a good one.

Formal Assessments

As a school aged provider, we are not required to formally assess children in our care. As we progress through the SUTQ process, informal assessments may be conducted to assist with curriculum development.

Family Resource Form and Community Resources

The Family Resource Form should be completed annually to alert staff to any specific needs of the family and to maximize the support provided. Community resources are available upon request, please see site Administrator. Some of these resources can be found on the Community Board located in the hallway, but specific resources will be provided based on the responses provided on the family resource form.

Parent/Community Grievance and Resolution Procedure

CRC always strives for open communication between staff, volunteers, parents, and the community. However, if a complaint or disagreement arises, we will do our best to resolve problems by using the following procedure:

Step 1

- A. Discuss the concern with your child's teacher and Administrator.
- B. Explain your concerns as clearly as possible with a request for some action to be taken to resolve the issue.
- C. If you are not satisfied with the response, put your concern in writing. List as many facts as you can and request a response.

Step 2

- A. Submit this written concern to the Administrator and Service Area Coordinator of the Recreation Center. Wait for a reasonable time (5 working days) for a satisfactory response.
- B. If you do not find the response to be satisfactory, proceed to Step 3.

Step 3

- A. Send your written concern, with the date that you submitted it, to the Recreation Programs and Services Division at 805 Central Ave Suite 800 Cincinnati, OH 45202.
- B. Be sure to include your name, address, and phone number.
- C. The Supervising Recreation Coordinator who operates within the capacity as a Regional Manager and/or Business Operations Division responsible for compliance will respond within a reasonable time frame (5 working days). The response will indicate a date and time for a conference.
- D. If you do not find the response to be satisfactory, proceed to Step 4.

Step 4

This grievance procedure's highest level of appeal is to the Director of Recreation. In addition, any person who may wish to report a suspected violation by one of our centers may contact the Department of Job and Family Services.

A Closing Note

If you have any questions or concerns, please call us. Administrators' office hours vary but are posted on the office door.

**Ohio Department of Children and Youth
CENTER PARENT INFORMATION REQUIRED
BY OHIO ADMINISTRATIVE CODE
5101:2-12-07**

The center is licensed to operate legally by the Ohio Department of Children and Youth (ODCY). This license is posted in a noticeable place for review.

A toll-free telephone number is listed on the center's license and may be used to report a suspected violation of the licensing law or administrative rules. The licensing rules governing childcare are available for review at the center.

The administrator and each employee of the center is required, under Section 2151.421 of the Ohio Revised Code, to report their suspicions of child abuse or child neglect to the local public children's services agency. Any parent of a child enrolled in the center shall be permitted unlimited access to the center during all hours of operation for the purpose of contacting their children, evaluating the care provided by the center or evaluating the premises. Upon entering the premises, the parent or guardian shall notify the Administrator of his/her presence. The administrator's hours of availability to meet with parents and child/staff ratios are posted in a noticeable place in the center for review.

The licensing record, including licensing inspection reports, complaint investigation reports, and evaluation forms from the building and fire departments, is available for review upon written request from the ODCY. Inspections are also online at <http://childcaresearch.ohio.gov/>. Parents may search for a specific program and sign up to be notified when the program's latest inspection is posted online.

It is unlawful for the center to discriminate in the enrollment of children upon the basis of race, color, religion, sex, national origin or disability in violation of the Americans with Disabilities Act of 1990, 104 Stat. 32, 42 U.S.C. 12101 et seq. To file a discrimination complaint, write or call Health and Human Services (HHS) or ODCYHHS and DCY equal opportunity providers and employers.
