

# What is a *Volunteer?*

A special volunteer assignment at Clarinda Regional Health Center especially for High School students.

This program allows students to assist and job shadow in specific CRHC departments in order to gain knowledge in that area and help you make decisions regarding your future career pathway!

# Benefits of Becoming a Volunteer

## **Knowledge**

You will gain first-hand knowledge and insight on what different career pathways are available in the medical field. Hint: there is much more than nursing!

## **Experience**

Our staff wants you to learn from your experience here. Hands-on learning and guidance will be provided!

## **Scholarship**

This program automatically qualifies you to be eligible for the hospital foundation's \$1000 Annette Nelson scholarship. Learn more about that at [ClarindaHealth.com/Giving](http://ClarindaHealth.com/Giving)

## **Social**

Best of all you'll get to meet and see new people. Plus, it's also a great resume builder!
