

# PHYSICAL THERAPY TO CERTIFIED PERSONAL TRAINING

*Your journey to better health doesn't have to end when physical therapy does! Our Certified Personal Training Programs bridge the gap between recovery and reaching your fitness goals.*

## EXCLUSIVE DISCOUNT OPPORTUNITY:

Following your discharge from physical therapy, we're offering discounted personal training sessions with a Wellness Specialist!

- Your referral is valid for 90 days after discharge from therapy.
- Discounts apply to your first 10 sessions of personal training.
- After completing your 10 sessions, normal personal training rates will apply.

## Our Personal Training programs are designed to help you:

- Continue making progress in building strength & endurance.
- Transition smoothly from rehab to independent fitness.
- Achieve your long-term physical health goals.

### 1. Express 1:1 Sessions

**\$120.00** - *\$40.00 savings!*

- Ten 30-minute training sessions
- One-on-one focus from your trainer
- Customized workout built for you
- Guidance & support during the session

### 2. Endurance Sessions

**\$150.00** - *\$50.00 savings!*
