

# HOW TO ADD YOUR BENEFITS CARD TO YOUR MOBILE WALLET

## EASILY PAY THROUGH YOUR MOBILE WALLET!

***It sure is easy.***

Adding your Surency Flex Benefits Card to your mobile wallet is a simple way for you to take advantage of mobile payments, which are a fast, secure, and easy way (with less germs!) to pay for eligible expenses. Plus, you can easily store your Surency Flex Benefits Card with the rest of your cards in your mobile wallet.

### Add Your Card in 7 Quick Steps

Whether you have an Apple, Samsung, or Google device, use the following steps to set up mobile pay for your Surency Flex Benefits Card!

- 1 Open the wallet on your mobile phone. (Make sure your phone is connected to a Cellular or WiFi network).
- 2 Select the option to add a new debit or credit card to your mobile wallet.
- 3 Add your Surency Flex Benefits Card, either by taking a photo or manually entering card info.
- 4 Review and accept Terms & Conditions.
- 5 A one-time passcode is sent via text message or email.
- 6 Enter the one-time passcode in your wallet.
- 7 You are instantly notified in your wallet if the card was successfully added.
