**Definition Of Work:** This is a highly responsible executive level position charged with administration of the Office of Emergency Management and facilitating interagency coordination, cooperation, and planning between all levels of government including local, state and federal agencies and other stake holders, non-governmental organizations or volunteer groups before, during and after an emergency or disaster.

**General Duties:** To reduce the risk of injury, loss of life or damage to property or the environment as a result of natural or human caused events or action. Ensure basic emergency management functions are fulfilled including incident support operations such as storm tracking/ severe weather coordination, emergency operations planning, incident recovery, damage assessment, shelter and donations management, emergency management/homeland security grant administration, mitigation/prevention support, and agreement/financial management coordination prior to or during incidents.

**Supervision Exercised:** Supervise and direct the work activities of the Emergency Management staff and other assigned personnel during emergencies.

**Supervision Received:** Reports directly to the Support Services Chief Deputy.

**Examples of Duties and Responsibilities:** (The following examples are illustrative only and are not intended to be all inclusive.)

- Administer the Office of Emergency Management in accordance with and fulfilling all requirements set forth in the County Resolution establishing the Office.
- Provide on-call, all-hazard emergency coordination support to complex or extended incidents that occur in the Douglas County locality.
- Keep the Sheriff and the Board of County Commissioners apprised of the overall readiness of the County. May need to respond to provide support to emergencies and provide situational assessments during and emergency or disaster to the IC or Commander.
- Ensure County compliance with necessary and applicable Federal and State rules, regulations and standards relating to the development of an operational emergency disaster capability and emergency management.

- Prepare and sign all materials and documents required for the obtaining of state and/or federal assistance during an emergency or disaster including assumption of duty forms or delegations of authority.
- Maintain a high level of fiscal management over the Office’s budget including annual budget requests and preparation.
- Ensure established emergency management IGAs and contracts are fulfilled according to their terms and develop others as needed to perpetuate interagency coordination and cooperation in disaster management.
- As necessary, develop emergency management related Resolutions, Ordinances, and Intergovernmental Agreements.
- Act in good faith on behalf of the Sheriff and/or Board of County Commissioners to make emergency or life saving decisions that could obligate the County Government to financial or other commitments when working with various agencies or governments during a disaster or emergency.
- In coordination with the Sheriff’s staff, make recommendations to the Sheriff regarding fire restrictions.
- Manage various aspects of Homeland Security as a part of the “all-hazards” emergency management program including grant processing, regional coordination, and representation.
- Respond on-scene to emergencies as necessary to provide resource support, incident command organizational structure development, and technical advice during multi-agency incidents, countywide impact incidents, mass casualty incidents, or other requested responses.
- Serve as coordinator of the Douglas County Incident Management Team, which includes various management functions such as mobilization guide development, recommendation of team members, annual training coordination, and management of the team during activations.
- Serve as liaison or representative of the Douglas County Sheriff’s Office and Douglas County Government on various appointed boards and commissions or other requested assemblies.
- Provide public presentations on emergency management topics.
- Serve as the EOC Manager when the EOC is activated.

**Consequence of Error:** The inability or failure to properly perform the duties of this position may result in the improper use of available emergency response resources and failure to be at the appropriate level of preparedness, potentially resulting in the wide-spread loss of life, damage to public and private property and natural resources.

**Education and/or Experience:** A Bachelor’s degree in public administration, emergency management or closely related field and five years of related emergency services experience is required. A Master’s degree in public administration or related field and specialized experience in wildland fire management, emergency medical services and/or emergency management is preferred. A combination of appropriate education and experience may be considered.
