SafeReturn

www.fpdct.com

Register a loved one who is susceptible to "wandering".

FAIRFIELD POLICE

CRISIS INTERVENTION TEAM

The Crisis Intervention Team (CIT) consists of police officers specially trained to recognize various mental health and substance abuse issues.

Those afflicted with some mental illness are at a higher risk of encountering law enforcement. It is crucial for officers to distinguish between symptoms of a mental health crisis and intentional evasive or combative behavior. CIT Officers play a key role in achieving positive resolutions for individuals in crisis.
