**II. Special Management Unit: Tier III Offender Management Plan**

The Tier III Program is a minimum 13-month program (390 days). If successful at each phase, you shall spend sixty (60) days housed in E-Wing during Phase 1; sixty (60) days housed in F-Wing during Phase 2; ninety (90) days housed in D-Wing during Phase 3; ninety (90) days housed in C-Wing during Phase 4; and ninety (90) days housed in during B-Wing Phase 5. Successfully completion of all phases will result in an offender being considered for transfer to the Tier-III STEP program.

In accordance with Tier III Program SOP, each offender shall have an Offender Management Plan detailing the requirements to progress through and complete the program. The Offender Management Plan includes the following standard requirements applicable to all offenders housed in the SMU and then specific recommendations applicable to the individual offender. Offender Management Plans will be reviewed for compliance at each 60/90-day Review and updated accordingly by the offender's assigned Counselor. Again, successful completion of all phases will result in an offender being considered for transfer to the Tier-III STEP program.

**Standard Requirements to be considered for completion Tier III Program:**

1. Comply with facility rules;
2. Exhibit positive behavior in the program;
3. Participate and complete the Offender O.U.T. Program and programming as recommended. If the offender cannot complete programs due to no fault of the offender, then this requirement is not required; and
4. No Great or High Disciplinary Report within the previous 390 days.
