All offenders will be issued a GOAL Device upon leaving diagnostics, except those offenders going to a county correctional institution and those offenders who received a GOAL Device during a previous period of incarceration. The GOAL Device will be rendered unusable until the offender gets to his or her assigned institution and can sync the GOAL Device to his or her permanent institution's Kiosk. Each offender must sign Attachment 1, Acknowledgement of Receipt, when receiving the GOAL Device. The rules and regulations for use of the GOAL Device shall be explained to the offender upon receipt or during orientation at his or her permanent facility. An offender may possess a GOAL Device and one other portable music device. GOAL Devices will not be engraved as engraving will damage the device.
