

**GREENBELT POLICE**

**Multi-Year**

# Strategic Plan

## PURPOSE

The Department's strategic plan serves as an outline for our service delivery and future challenges. The strategic goals and action items are meant to act as a guide as we move forward to meet the needs of the community, our staff and the City of Greenbelt. This plan is not all inclusive and does not cover all of the challenges the department will face. It is meant to be flexible and allow us to focus on areas of priority

As the department moves forward our focus is on reaching staffing goals, developing a greater use of technologies and using innovative strategies in the area of predictive policing to continue our tradition of providing excellent police service.

### **The objectives and strategies are intended to support the department's mission of:**

- **Community Safety:** Community Safety is the priority of the Police Department. This overall goal determines how the department focuses its efforts in the areas of community outreach, enforcement, staff development, and the use of technology.
- **Community Outreach:** The department recognizes that to be successful there needs to be partnerships with all of the residents of Greenbelt. The Department will take every opportunity to develop relationships and build trust with our community.
- **Develop Staff:** Providing department staff with training, career opportunities, education and promotion will reduce turn over and create a stable department to meet the needs of our community.

The department will measure progress using data analysis to track improvement in areas department wide. The reduction of crime, lowering of motor vehicle crashes and improved case closure rates will be areas of focus.
