**Alcohol and Other Drugs in the Residence Halls**

It is the intent of the District to encourage responsible behavior. The use of alcoholic beverages in District residence halls will be in accordance with the following procedures. Violations shall constitute misconduct which subjects the offenders to sanctions as described in Procedure 5000.5: Student Code of Conduct.

A. The unlawful possession, use or distribution of alcohol and illegal drugs in Residence Halls is prohibited. While the District permits the lawful use of alcohol by students and guests on campus in accordance with Procedure 3015.1: Alcoholic Beverages in District Facilities, any abuse of this privilege will be subject to District disciplinary action and/or appropriate criminal sanctions.

1) State and local laws prohibits the possession and use of alcoholic beverages by any person who is under 21 years of age. Such unlawful conduct is hereby prohibited.

2) Residence halls at Gillette College are alcohol-free.

B. Drugs: The campuses of GCCD are drug-free (Procedure 300.5: Alcohol and Drugs). There are several Wyoming State and Federal laws prohibiting the use and/or sale of controlled substances (drugs such as marijuana, heroin, cocaine, PCP, LSD, methamphetamine and fentanyl). Misuse and sale of prescription medications is also prohibited. Prescriptions are meant to be used only by the person for whom the prescription is written and/or as prescribed.

C. Smoking and Vaping: The campuses of GCCD are smoke-free (Policy 3000.4: Smokefree Campus). The residence halls are both smoke-free and vape-free.
