

FATIGUE UNIFORM

1. **REGULATIONS:** These regulations are in addition to those put forth as basic requirements for all personnel.
2. **SWORN FATIGUE UNIFORM:** The black Fatigue Uniform is the normal duty uniform for S.W.A.T. and Canine. This uniform is also authorized for wear, by function, for the Mobile Field Force, Bomb Squad, the Motor Carrier Safety Enforcement Unit, DUI Task Force and others as designated by the Chief of Police.
 - A. **DUTY HAT:** The approved hat will be a ball cap as approved for departmental purchase. The ball cap will be black, with the approved "HUNTSVILLE POLICE" embroidered lettering.
 - B. **SHIRT:** The approved shirt shall be long or short sleeve and worn tucked into the pants waistband.
 1. Any undergarment visible must be black in color.
 2. Officers will wear sleeve length as desired.
 - C. **DUTY TROUSERS:** The uniform trousers will be the same throughout the year. They will be straight legged with side, hip and cargo pockets. The hem of the pants will be bloused in or out of authorized duty boots.
 - D. **GUN BELT:** The leather basketweave belt, with matching accessories, is the authorized pistol belt for wear with the black Fatigue Uniform, except in a tactical situation, when the nylon tactical belt is worn. The nylon belt and matching accessories are also authorized for wear with the black Fatigue Uniform during normal duty operations. Layout of items on the belt will be governed by regulations on Class A Duty Uniforms. NOTE: Bomb Squad personnel will not wear the nylon belt because of the static electricity hazard.
 - E. **FOOTWEAR:** Footwear will be the approved boots from the current bid list, or of similar make. Heels and toes will be polished as in the Class A Duty Uniform section.
 - F. **METALLIC ITEMS:** During normal duty all metallic items on the uniform will be worn in the manner of and meet the same standards as the Class A Duty Uniform. During tactical status these items will not be worn.
 - G. **SHOULDER PATCH:** The subdued Huntsville Police Department patch will be worn with the fatigue uniform.

- H. INSIGNIA OF RANK: Rank insignia will be worn as established in regulations governing the Class A Duty Uniform. The insignia will be subdued.
- I. AWARD BARS: Award bars are not authorized for wear with the fatigue uniform.
