

## JACKSONVILLE STATE UNIVERSITY CAMP RULES

1. Participants are not allowed to drive or ride in personal vehicles during the dates of the program unless they receive specific permission to do so from the Camp Director. While we understand that some participants will drive to the campus, our policy is that they must turn their car keys into the Camp Director for the duration of the workshop. Any vehicles parked on campus must have a University Parking Permit. Parking permits will be issued during on-site registration, and clear instructions will be given as to where parking is authorized. It will be the responsibility of the participant to secure a permit, properly place the permit in the vehicle, park the vehicle in an authorized space, and turn the keys in to the Camp Director for safekeeping during the program. Neither Jacksonville State University, nor the camp staff, will be responsible for damage to vehicles or for any parking tickets, fines, or towing charges that result from violations.
2. Participants are to remain on campus for the duration of the program unless program activities require otherwise. If a participant needs to leave campus for some reason, Camp Directors must receive prior written permission from the parent or guardian and grant specific permission.
3. Campus regulations prohibit the use of alcohol and other illegal substances. Participants may not possess, use, distribute, or sell alcoholic beverages, drugs, firearms, weapons, or fireworks.
4. Co-ed visitation in the residence halls is permitted in the first-floor lobby area only. The only people permitted in rooms are staff, members of the participant's immediate family, the participant's roommate and other participants of the same gender residing in that residence hall.
5. Participants must attend all workshops, classes, and planned social or recreational activities. Full participation is the only way a participant can gain real value from the camp.
6. Participants will refrain from using electronic devices (i.e., cell phones, iPads, computers, etc.) during instructional periods unless authorized by camp counselors or university faculty and staff.
7. Participants will abide by nightly curfews and "Lights Out" announcements from the Camp Director or Program Counselors. Participants must be in their OWN room at lights out and remain there until morning. Any use of cell phones or other electronic devices is prohibited after 'Lights Out.'
8. Participants must never misuse internet privileges. Attempting to access unauthorized sites is strictly prohibited.
9. Participants must abide by rules and guidelines set by the instructors for each academic facility in use.
10. In accordance with state law, smoking is prohibited by anyone under the age of 19. Smoking is not permitted in any buildings on the Jacksonville State University Campus.
11. Any individual found tampering with any fire equipment (i.e., fire extinguishers, fire alarms, smoke detectors, etc.) will be dismissed from camp immediately. Participants may not interfere with any security system or tamper with locks in participant rooms and other areas.
12. All furniture must remain unchanged and kept in place.
13. Vandalism and pranks will not be permitted. Any damages caused in rooms or common areas will be charged to the responsible party. Replacement cost will be charged to anyone who removes or damages University property.
14. Participants should always keep their rooms locked even if leaving the room for only a few minutes. Neither Jacksonville State University, nor the camp staff, is responsible for lost or stolen items. A participant should take room key when leaving room. Those who lose a key must pay for a replacement. Leave excess money and valuables at home. Valuables, including jewelry, iPods, cell phones, radios, cd players, etc., may be brought to camp, but only at participant's own risk.

**MEDICAL:** In cases where medical attention is necessary, parents will be contacted for approval when possible. We require completion of a medical release form signed by the parent or guardian in order that we may react responsibly in an emergency.
