

## Jacksonville State University Parking Services

### Policy and procedures

Policy: 7.0 Parking Zones

Original Date: June 1, 2020

Revision Date: June 13, 2023

Approved: Michael Barton, Director of Public Safety

#### **7.0-Parking Zones**

Operators must park their vehicle in a designated parking space within the parking zone that corresponds with the issued decal classification for the vehicle operator. Parking zones are indicated by the color of lines for the parking space. All signage, painted lines, and regulations governing the use of motor vehicles must be observed.

**7.0.0-** White Parking Spaces: Students, faculty, staff, retirees, contractors, and visitors

**7.0.1-** Red Parking Spaces: Faculty, staff, retirees, contractors, and visitors

**7.0.2-** Blue Parking Spaces: Accessible parking

**7.0.3-** Reserved Parking Spaces: As designated by signage or temporary barriers.

**7.0.4-** The Pointe: Residents at The Pointe must have an officially issued JSU parking decal in addition to The Pointe parking registration.

#### **7.1-Accessible Parking**

Vehicle operators parking on JSU property with a state-issued disability access license plate or placard must obtain a JSU-accessible parking permit. Permits can be obtained at JSU Parking Services. To obtain an accessible parking permit, the vehicle's operator must show documented proof of the need for disability access parking privileges. Accepted documentation must be submitted to parking services to obtain the JSU-accessible parking permit. Approved documentation includes 1) written documentation from a physician or 2) the state-issued accessible tag in the operator's name.

Once the JSU-accessible parking hangtag is issued, it must be displayed in front of the state-issued hangtag on the rearview mirror when the vehicle is parked on campus. Permanently accessible passes will expire once the JSU decal for the year expires, and a new one will need to be obtained for the next year. Temporary accessible passes will expire once the notice from a physician expires.

Use of a JSU-accessible parking pass that is not in the vehicle operator's name is prohibited.
