C. The department’s budget will be prepared on an annual basis using time lines established by the City Manager which varies from year to year. The Department will follow the mandates as issued annually by the City Manager. The budget is prepared and developed by the Kinston Police Department and the Division Majors.

1. Division Majors shall make written recommendations and budget requests for their respective divisions. The Division Major’s recommendations and requests shall be forwarded to the Chief of Police at an established date. Recommendations and requests shall be based on operational and activity analysis, future needs and an assessment of personnel and equipment resources.

D. Department employees will adhere to the ordinances, policies, guidelines, and procedures established by the City Council of the City of Kinston and/or the City Manager when making purchases regardless of value.

1. All department requests for requisitions and purchases of supplies, equipment, and other operating expenses shall be submitted on a requisition form to the Chief of Police for review and purchase authorization.

Requisition forms are generated by computer, once the information has been entered into the system. Purchase orders are completed by the City Manager’s Office.

2. Bidding procedures, specifications, and bidder/vendor selection criteria for all capital equipment purchases are developed and implemented by the City Purchasing Coordinator under the supervision of the Director of Financial Services and in accordance with North Carolina General Statute 143-129.
3. The City Manager may authorize any purchase contracts or fund transfers necessary to place the City of Kinston in a position to protect the public health and safety, effectively protect property, and provide emergency assistance to victims in the event of any man-made or natural disaster.
4. The City of Kinston maintains a computerized accounting system of all departments including the Kinston Police Department. The computerized system, known as the “Banner System”, includes provisions for monthly, quarterly or annual status reports to the department showing initial appropriations for each account, balances at the commencement of the report period, expenditures and encumbrances made during the

Financial Department.

3. At least once annually, each Division Major or their designee will account for these items to the Chief of Police by performing a physical inventory of the fixed and unfixed assets and reconciling actual fixed assets to the asset register maintained by the City of Kinston Finance Department. Upon approval of the Chief of Police this documentation shall be forwarded to the City's Finance Department.
 4. The Administrative Manager shall be responsible for conducting internal monitoring of the following: department non-cash fiscal activities, travel, meal, and incidental expense reports, training expense reports and other open accounts.
 5. The appropriate Division Major shall advise the Chief of Police, as necessary, regarding the status of non-cash fiscal activities in their areas of responsibility.
- K. The Division Major or a designee shall be responsible for the issuance and distribution of approved department property to authorized users and for the maintenance of all records relative to that distribution. Initial issue of all department approved property shall be accomplished during the orientation process of the newly appointed employee. The items issued shall be documented on the Department Clothing/Equipment Inventory.
1. Items issued as replacement for agency property that has become worn, damaged, or is lost will be made at the request of the employee in need. The employee shall submit a form (supply/equipment/uniform request form) to the respective Division Major through the chain of command.
 2. The request for reissue of department approved equipment shall include an explanation of the need for replacement of the items requested. When available, the items to be replaced shall be returned to the Division Major for repair or disposal.
 3. It shall be the responsibility of the each Division Major or designee to ensure that stored department property is maintained in a state of operational readiness and in sufficient quantity to meet the on-going needs of the department.
 4. Maintaining operational readiness of stored equipment includes: care and cleaning; preventive maintenance; repair; work-ability; availability.
