I. PURPOSE AND SCOPE

This purpose of this policy is intended to provide the requirements, approval process, and hours of operation for the Ride-Along Program. The Ride-Along Program provides an opportunity for others to experience the law enforcement function of the Kinston Police Department first hand.

II. POLICY

The Kinston Police Department Ride-Along Program is offered to students interested in the criminal justice field, police explorers, police applicants, and those employed within the City that serve in a law enforcement type capacity. Every attempt will be made to accommodate interested persons; however, any applicant may be disqualified without cause.

III. ELIGIBILITY

A ride-along may be available to City of Kinston residents and business owners, those pursuing criminal justice profession and those employed with the City of Kinston. Efforts will be made to accommodate all interested persons. The Chief of Police holds ultimate discretion; however, any applicant may be disqualified without cause from participating.

Factors that may be considered in disqualifying an applicant include, but are not limited to, the following:

- Age of applicant (Being under 16 years of age)
- Criminal history
- Pending criminal action
- Pending lawsuit against the Department
- Denial by any supervisor

IV. AVAILABILITY

The Ride-Along Program is available on most days of the week, with certain exceptions. The ride-along times are consistent with the officer's assigned shift. Exceptions to this schedule may be made as approved by the Chief of Police, Division Major, or Squad Captain.

V. REQUESTS TO PARTICIPATE

A participant may submit, to the Administrative Assistant or designee, a Ride-Along Request Form (completing all information requested) and a signed waiver. If the participant is under 18 years of age, a parent/guardian must review and sign the ride-along form and waiver. Generally, ride-along requests will be scheduled by the Administrative Assistant or designee, after approval from the Division Major. The applicant will be contacted and the ride-along will be scheduled based on availability. If the ride-along is denied after the request has been made, a representative of the Department will contact the applicant and advise him/her of the denial.

VI. PROCEDURES

Once approved, ride-along participants will be allowed to ride no more than once every two months. Exceptions would apply to the following: Explorers, Chaplains, police applicants, and all others with approval of the Division Major. All efforts will be made to ensure that no more than one citizen will participate in a ride-along during any given shift. No more than one ride-along will be allowed in the officer's vehicle at a given time.

VII. CRIMINAL HISTORY CHECK

All Ride-along applicants are subject to a criminal history check. The criminal history check may include local records check and a Department of Justice Automated Criminal History System check through DCI prior to their approval as a ride-along with a law enforcement officer (provided that the ride-along is not an employee of the Kinston Police Department).

VIII. SUITABLE ATTIRE

Any person approved to ride along is required to be suitably dressed in a collared shirt, blouse or jacket, slacks and shoes; no obvious logos. Sandals, T-shirts, tank tops, shorts, tennis shoes, and ripped or torn blue jeans are not permitted. Hats and ball caps will not be worn in the police vehicle. Participants are not permitted to wear "police like" clothing; however, BLET attire is acceptable. The Squad Captain or field supervisor may refuse a ride along to anyone not properly dressed.

Off-duty members of this department or any other law enforcement agency will not be permitted to ride-along with on-duty officers without the expressed consent of the Squad Captain. In the event that such a ride-along is permitted, the off-duty employee shall not be considered on duty and shall not represent themselves as a peace officer or participate in any law enforcement activity except as emergency circumstances may require.

IX. OFFICER RESPONSIBILITIES

The Officer should advise the dispatcher that a ride-along is present in the vehicle before going into service. Officers shall consider the safety of the ride-along at all.
