

Board Policy: 605 – Commencement

Subject: Educational Program and Instruction

Series 605: Commencement

The College shall maintain records documenting those students who successfully complete any program of study: degree, certificate and diploma. Commencement each year shall affirm the completion of a credential; however, attendance at commencement exercises or similar types of public recognition, though desirable, shall not be a prerequisite to receiving certificates of achievement and/or completion.

Date of Adoption: 06/01/1972

Date of Revision: 08/08/2019

Date of Review: 08/08/2019
