

## Board Policy: 702 – Data Assurance Policy

Subject: Non-Instructional Operations and Business Services

Series 702: Data Assurance Policy

Kirkwood Community College is committed to ensuring the accuracy and completeness of all data it makes publicly available. This commitment extends to information related to student learning outcomes, achievement, persistence, retention, and completion. The college is dedicated to using accurate, reliable, timely, and valid data to uphold integrity and to act in the best interests of both students and the institution.
