

Board Policy: 730 – Purchasing Policy

Subject: Non-Instructional Operations and Business Procedures

Series 730: Purchasing Policy

It shall be the policy of the college to purchase products and services from within the college service territory, provided such products and services are competitive. All such purchases shall be administered through College Purchasing procedures developed, written and administered by college administration. Such procedures are to be reviewed annually.

Date of Adoption: 10/07/1968

Date of Revision: 09/12/2019

Date of Review: 09/12/2019
