Letter to FITAP Payee on Retained Child Support

Dear _____:

Child Support Enforcement Section has learned that you recently received a child support payment from the noncustodial parent.

Louisiana state law R.S. 46:236.1.5 requires that you submit any child support payments received from the noncustodial parent. Since you failed to comply with this requirement, the Fraud and Recovery Section will contact you for repayment as a condition of eligibility for Family Independence Temporary Assistance Program (FITAP).

Submit any future payments by money order or certified check to the address shown at the top of this letter.

Sincerely,

Agency Representative
