Road Skills 4-Column Direction Form (R. 03/2022)

School Name: _____ Location: _____

Introduction to Read to the Driver

During the test, I will give you directions as we go along. I will always give directions as far in advance as possible. You will always go straight, unless I direct you otherwise. I will not ask you to do anything that is illegal or unsafe. Throughout the test, I will be making marks on the test form. This is part of the grading process and doesn't necessarily mean you have done anything wrong. Please concentrate on driving and on following my directions. We will not hold a conversation, but you can ask questions about the directions I give you. You may ask "what is the speed limit?" if you do not see a speed limit sign. Remember, this is a test you must follow all signs and signals. Turn off your cell phone and the radio.
