

P.O. 1102 CB Radios

Effective From:	7-15-2012	Effective To:	Current
-----------------	-----------	---------------	---------

B. P.O. 1102 - CB Radios

1. USE OF CB UNITS

- i) State Police radio traffic shall have priority over CB traffic.
- ii) Officers shall comply with FCC rules regarding use of CB radio units.
 - a) The State Police call sign KLA0911 shall be used during all transmissions.
 - b) No officer shall transmit false or deceptive information which is intended to entice a motorist into illegal operation of a motor vehicle.
- iii) Officers may monitor any channel; however, channel 9 override will be utilized on radio units so equipped.
- iv) Channel 9 traffic will have priority over all other CB traffic.
- v) CB calls will be answered quickly and courteously; non-emergency calls will be terminated as promptly and tactfully as possible.
- vi) Officers shall not retaliate by stopping or responding to individuals reporting officer locations or activities.
- vii) Derogatory comments shall be ignored.
