Application for CDL Waiver for Farm-Related Service Industries

The Commercial Driver License (CDL) waiver for farm-related service industries may be used by seasonal CDL drivers for farm retail outlets and suppliers, agricultural businesses, custom harvesters, and livestock feeders. This waiver allows a seasonal driver to obtain a restricted Class B or Class C CDL license without written or skills testing. The holder of a restricted CDL may operate a commercial motor vehicle only within a 150 mile radius of a place of business or farm being served.

Class of Vehicle

Select the box(es) that apply to the class(es) of vehicle(s) you drive.

Class B (Restricted)

A Class B Commercial Driver License (CDL) issued through the Farm Related Services Industry Waiver Program, allows the holder to operate a single unit vehicle with a gross vehicle weight rating (GVWR) of 26,001 or more pounds or any such vehicle towing a vehicle not in excess of 10,000 pounds GVWR.

Class C (Restricted)

A Class C Commercial Driver License (CDL) issued through the Farm Related Services Industry Waiver Program, allows the holder to operate a single unit vehicle with a gross vehicle weight rating (GVWR) of less than 26,001 pounds or any such vehicle towing a vehicle not in excess of 10,000 pounds GVWR.

Note: The holder of a Restricted Class B or C CDL issued through this waiver program is not allowed to transport passengers or hazardous materials which require the vehicle to be placarded, with the exception of 1,000 gallons or less of diesel fuel, 3,000 gallons of liquid fertilizers, or any quantity of solid fertilizers.

Seasonal Period

You must indicate the seasonal period below. The seasonal period cannot exceed 180 consecutive days in any 12 month period. A "U/Z Restriction Card" bearing those dates will be mailed to you, which you must carry with your driver license.

For transport of hazardous material requiring placarding, restricted CDL holders would be limited to:

- Diesel fuel in quantities of 1,000 gallons or less.
- Liquid fertilizers in vehicles with total capacities of 3,000 gallons or less; and
- Solid fertilizers that are not mixed with any organic substance.
- No other placarded hazardous materials may be transported by holders of restricted CDLs.

Restricted CDL holders will be fully subject to all CDL disqualification penalties.

Signature

Under penalties of perjury, I declare that the above information and any attached supplement is true, complete, and correct. If I make a false statement on this application I understand that I will not be issued a restricted commercial driver license for a period of one year, or if I have already been issued a commercial driver license, it will be cancelled upon discovery of the falsification for a period of one year.
