I. PURPOSE

The purpose of this General Order is to establish a Mission Statement, which outlines the philosophies, goals, and objectives of the Loudoun County Adult Detention Center.

II. POLICY

The Loudoun County Adult Detention Center Administration operates on the belief that staff and inmate security, safety, and welfare are essential.

For this reason, a thorough understanding of all security requirements, rules, regulations, and regimentation is critical. The goal is to provide a safe and secure environment for all staff, inmates, and official visitors using these tools to promote a spirit of staff and inmate understanding, mutual respect, and cooperation. It is our intent, through the implementation of inmate programs and classification, to instill in the inmate population characteristics and behaviors that will lead to self-respect, self-discipline, tolerance for others, the desire for self-improvement, and a willingness to comply with rules.

Through ongoing staff training and reviews of the Corrections Manual, it is our objective to operate the Adult Detention Center in full compliance with the standards, policies, and procedures prescribed by the Virginia Board of Corrections.
