I. **POLICY BOT 3-1, MLEAP 7-10**

The Lincoln Police Department maintains that the nature and seriousness of crimes committed between family or household members are not mitigated solely because of the relationships or living arrangements of those involved. It is the policy of this agency that domestic violence be treated with the same consideration as violence in any other enforcement context.

It is also the policy of the Lincoln Police Department that officers take steps to properly investigate, identify predominant aggressors, and combine the use of appropriate community services with enforcement of the law in an effort to: (1) break the cycle of domestic violence by preventing future incidents or reducing the frequency and/or seriousness of such incidents, (2) protect victims of domestic violence and provide them with support, and (3) promote officer safety when dealing with domestic violence situations.

The Lincoln Police Department also recognizes that no one is immune from incidents of domestic violence, including law enforcement. As part of this policy, this agency will take a proactive approach when dealing with any domestic violence committed by agency employees.

Given this is a statutorily mandated policy; officers must abide by this agency's policy as it applies to all standards of the Maine Criminal Justice Academy Board of Trustees. **BOT 3-25**

II. **PURPOSE**

The purpose of this policy is to provide a consistent process for responding to domestic violence and to prescribe a preliminary course of action that officers should take in response to domestic violence incidents

IV. PROCEDURES

A. General *BOT 3-2*

Officers are responsible for being familiar with the applicable statutes of 15 M.R.S. Chapter 12-A, Chapter 101 of Title 19-A M.R.S. Chapter 101, and 17-A M.R.S. §15.

B. Initial Officer Response *BOT 3-5*

1. The officer should avoid the use of sirens and emergency lights in the vicinity of the scene of the incident. Officers should be alert to and note persons encountered while approaching the scene. If possible, an officer should question any potential witnesses found leaving the incident.
2. The officer should not park the police vehicle directly in front of the residence of the disturbance. The officer should be alert to assailants leaving the scene and for the deployment of weapons from doors, windows, or nearby vehicles.
3. The officer should consider the surroundings before knocking on the door. The officer should listen and look in any nearby windows to obtain additional information about the situation (layout of house, number of people involved, weapons, etc.).
4. Officers must be concerned for their own safety as well as the victim's. To minimize the possibility of injury, the officer should stand on the side of the door when knocking. The unexpected may occur when the door opens.

5. If the incident involves a law enforcement officer or other employee of a law enforcement agency as the suspect, refer to additional initial officer response protocols below in *section J* of this policy.

C. **Complaint Investigation** ***BOT 3-8***

Upon arriving to a domestic violence call, officers shall:

1. Identify oneself as an officer by name, explain the law enforcement presence, and request entry into the home. If the complainant is in the home, ask to see the complainant. If the person who called law enforcement is someone other than the subject of the call, the officer should not reveal the caller's name.
2. Restore order by gaining control of the situation, in particular by securing the suspect and controlling the suspect's movement and ability to interact visually or verbally with others at the scene, especially the victim.
3. Take control of all weapons used or threatened to be used in the crime.
4. Assess the need for medical attention and call for medical assistance, if needed. In cases involving non-fatal strangulation, always call Emergency Medical Services to examine the victim, regardless of whether visible injury exists.
5. If any of the parties are of limited English proficiency, officers should arrange for interpretation services.
6. Interview all parties, to include children, neighbors, and other witnesses, separately.
7. Process the crime scene.
8. It is the policy of this agency to avoid making dual arrests in cases when both parties have committed some kind of violence against the other. Officers shall utilize the predominant aggressor analysis to 1) establish that probable cause exists that a crime has occurred, 2) actively investigate whether any party used self-defense, and 3) determine who is the overall predominant aggressor in the relationship. This is the person who poses the most past/present/future risk to the other, who uses an overall pattern of coercive, controlling tactics, and the person who places the other in fear. These steps in the analysis should be completed in order. Officers should consult the Predominant Aggressor Decision Tree (*Appendix 3*) when utilizing the analysis. This analysis should be used in making arrest decisions.
9. Collect and record evidence, and where appropriate, take color photos of injuries and property damage.
10. If the offender has left the scene and a crime has been committed, officers will:
 - a. Conduct a search of the immediate area.
 - b. Obtain information from victims and witnesses as to where the offender might be.
 - c. Officers are encouraged to make a warrantless arrest when the offender is found or write an affidavit for an arrest warrant and arrest the offender.
11. If probable cause does not exist to make an arrest for violation of any domestic violence crime, officers must indicate in the agency incident report the reason for such.
12. In-custody arrest is mandatory when an officer has probable cause to believe that a violation of a court-approved consent agreement or protection order has occurred, or if a domestic violence aggravated assault, a domestic violence elevated aggravated assault (17-A M.R.S. § 208-, or domestic violence elevated assault on a pregnant person has occurred, pursuant to Title 19-A M.R.S. § 4113. ***BOT 3-9***
13. A warrantless arrest is authorized if an officer has probable cause to believe that a person violated an order issued pursuant to 15 M.R.S. §321(6). Furthermore, when an officer has reason to believe that a family or household member has been abused, the officer shall immediately use all reasonable means to prevent further abuse, which may include arresting the abusing party with or without a warrant pursuant to 19-A M.R.S. § 4113(4) and Title 17-A, § 15. ***BOT 3-10***
14. A warrantless arrest is also authorized if an officer has probable cause to believe a person has committed or is committing any crime listed in 17-A M.R.S. § 15.

15. Officers must make a good-faith effort to complete a validated, evidence-based domestic violence risk assessment, currently the Ontario Domestic Abuse Risk Assessment (ODARA) (*see Appendix 4*), on the offender:
 - a. ODARA is used after an arrest determination has been made, in any case involving a male or female arrested for: domestic violence assault; domestic violence aggravated assault; domestic violence elevated aggravated assault; domestic violence elevated aggravated assault on pregnant person; domestic violence criminal threatening with a dangerous weapon; and/or domestic violence terrorizing when the circumstances include:

 - d. The officer must provide the ODARA results with the Bail Commissioner, see 19-A M.R.S. § 4114(6).
 - e. The officer must provide a copy of the ODARA to the Office of the District Attorney for the county in which the abuse took place, see 19-A M.R.S. § 4114. At a minimum, the officer must ensure that a copy of the ODARA assessment is included in the case file for provision to the District Attorney's Office.
 - f. The officer should attach the ODARA scoresheet to the incident report and also provide details about the sources of information and scoring of each ODARA item in the report narrative.
16. Complete appropriate offense or arrest reports and include, if possible and at a minimum, the following:
 - a. Time of dispatch, time on the way to the call, and time of arrival.

See *Appendix 2* for a Domestic Violence Supplement Referral Form.
18. The agency shall establish a process to ensure that, when a person files multiple, separate complaints regarding the behavior of another person that may indicate a course of conduct constituting stalking, as defined in *Title 17-A, section 210-A*, and those complaints are reviewed together to determine if the other person has engaged in stalking under *Title 17-A, section 210-A*.

Maine law provides that whenever an officer has reason to believe that a family or household member has been abused, the officer shall immediately use all reasonable means to prevent further violence. The LEO shall assist the victims of domestic violence in the following manner:

- 1. If any of the parties are Limited English Proficient, officers should arrange for interpretation services
- 2. Advise all parties about the criminal nature of domestic violence, its potential for escalation, and that help is available.

5. Notification to a minor victim must be made to an adult who is the victim's parent or legal guardian.

G. Law Enforcement Officer Follow-up

Officers assigned to domestic violence follow-up, accompanied by a back-up officer, if reasonably available, shall attempt to meet with the victim within 48 hours of all domestic violence incidents whether an arrest was made or not. In doing so, the officer can:

1. Check on the safety and well-being of the victim.
2. Ensure adherence of bail conditions, protection orders, and any other court orders. If violations are found, the officer should determine the nature of bail and court orders in that they are subject to change, and, if there is a violation, arrest the offender.

4. Collect statements or other evidence.
5. Take follow-up photographs of any injuries from the original incident, if warranted.

The officer will also ensure that the Office of the District Attorney receives any additional photographs or other evidence obtained as a result of the follow-up visit.
8. If the officer is unable to contact the victim within 48 hours, the officer will contact their supervisor who will make alternative arrangements to ensure that reasonable efforts to contact the victim continue.

H. Property Retrieval BOT 3-22

Officers shall assist the retrieving individuals in obtaining the safe retrieval of the personal property belonging to the victim and/or defendant by using the following procedures:

1. Officers shall make reasonable efforts to ensure a property retrieval has not already occurred. The officer shall then contact each party to determine a convenient time for the retrieving individual to obtain personal belongings, if possible, prioritizing the victim's schedule and giving the victim the option of at least 24 hours' notice.

2. When possible, meet the retrieving individual at a pre-determined neutral location, with at least one officer.
3. Determine what personal belongings are to be obtained. These should be limited to clothing, children's clothing, toiletry items, and other reasonable personal belongings.
4. In a "keep the peace" retrieval for additional property, the officer shall review any court order provided detailing the property to be retrieved. The retrieving individual may not remove property unless specifically designated in the order unless both parties confirm the agreement. If any property is in dispute and possession is not designated in the order, the officer may not allow the retrieving individual to remove the property. The officer may refer the parties to the court for resolution of the matter.
5. The officer should keep the retrieving individual at a safe distance until it can be determined that the other person is not present.
6. Once the officer determines the other person is not present, then the retrieving individual can be accompanied into the location in order to obtain personal belongings.
7. The officer shall accompany the retrieving individual throughout the entire retrieval.

I. **Procedures Involving a Law Enforcement Agency Employee** *BOT 3-6, 3-7*

This agency also recognizes that no one is immune from incidents of domestic violence, including law enforcement. As part of this policy, this agency will take a proactive approach when responding to any domestic violence committed by agency employees. Incidents of domestic violence involving agency employees shall be investigated utilizing both the procedures outlined above in this policy, and the following procedures and considerations:

1. **Agency Responsibilities**

- a. This agency shall, either in response to observed warning signs or at the request of an officer or a member of an agency employee's family, provide non-punitive avenues of assistance to employees, their partners, and other family members to mitigate potential acts of domestic violence.
- b. This agency shall identify a procedure for making confidential referrals to counseling services, either internally or in collaboration with existing community services that have specific expertise in domestic violence.
- c. Information learned by the CLEO about an employee's conduct relating to the commission of domestic abuse, which could include criminal conduct, being a defendant in a temporary or permanent protective order in any jurisdiction, or other conduct reportable to the Maine Criminal Justice Academy under Title 25 M.R.S. § 2806-A & § 2807 shall be investigated both criminally and administratively as outlined in *Policy A-2 Investigation of Employee Misconduct*.
- d. Following a domestic violence incident, the agency shall designate a member of the command staff to act as a principal contact for the victim. The assigned contact officer will:
 - i. Keep the victim apprised of the case throughout the adjudication process.
 - ii. Inform the victim of confidentiality policies and their limitations and ensure that confidentiality is maintained throughout the case.

- e. When responding to a domestic violence incident involving a law enforcement officer or other law enforcement agency employee from another jurisdiction, all law enforcement personnel shall follow the same procedures that are to be followed in responding to a domestic abuse complaint involving an employee from their own agency. The agency shall provide written notification to the CLEO in the suspect's jurisdiction in a timely manner, and if possible, within 24 hours.
- f. 25 M.R.S. § 2807 requires the Chief Law Enforcement Officer (CLEO) of an agency to notify the Director of the Maine Criminal Justice Academy within 30 days when an officer employed by that agency is convicted of a crime or violation or engages in conduct that could result in suspension or revocation of the individual's certification.
 - i. In practice, this could include for example, a domestic violence related arrest, or being the defendant in a temporary or permanent Protection from Abuse Order.
 - ii. This could also include other conduct not resulting in an arrest, charge or conviction that would constitute engaging in conduct that is prohibited or penalized by state law as murder or a Class A, Class B, Class C or Class D crime or by any provision of Title 17-A, chapter 15, 19, 25, 29, 31, 35, 41 or 45, as per 25 M.R.S. § 2806-A(5)(F).

2. **Supervisor Responsibilities**

- a. Supervisors shall be cognizant of and document all behavior, on-duty or off-duty, in which employees may be exhibiting signs of possible domestic violence related problems, including increased use of force during arrests, alcohol and/or drug abuse, increase in "controlling" behaviors, stalking activity, citizen and fellow officer complaints of unwarranted aggression and verbal abuse, inappropriate aggression towards animals, and on-duty or off-duty injuries. Off-duty related problems and injuries would include problems as a victim or a suspect.
- b. Supervisors shall immediately make their ranking supervisor aware of any and all such behavior.
- c. The CLEO shall be informed of such circumstances or concerns in a timely manner through the chain of command, and if possible, within 24 hours.
- d. Whenever an agency employee is arrested, the supervisor shall relieve the employee of any agency-issued weapons provided that the weapons can be legally obtained. The supervisor shall inquire whether the victim wants any weapons removed from the home for safekeeping by the agency and thereafter remove such weapons provided that such removal is accomplished legally.
- e. In the event that an incident involves the CLEO of the agency or the agency of another jurisdiction, the supervisor shall immediately notify the individual who has direct oversight for the CLEO.

3. **Responding Law Enforcement Officer Responsibilities**

- a. Investigating officers follow all procedures outlined in this policy, in addition to the procedures and considerations in this section.
- b. Upon arrival on the scene of a domestic violence call or incident involving a law enforcement officer or other employee of a law enforcement agency, the primary officer shall immediately notify dispatch, and notify or request notification of a supervisor of higher rank than the involved officer. The ranking officer should report to the scene, regardless of the involved officer's jurisdiction.
- c. Responding officers shall be aware of the heightened risk that a suspect who is a law enforcement officer will likely possess firearms, other weapons, physical combat training, or all three.
- d. Officers should be aware that the suspect might attempt to make emotional appeals to responding officers.
- e. In cases involving a suspect who is a law enforcement officer or other employee of a law enforcement agency, responding officers must respond to the victim in a way that assures the victim that their case will be investigated and handled thoroughly and professionally, without regard for the suspect's employment as a law enforcement officer.

- f. Responding officers shall seek out and preserve secondary sources of information and supplemental evidence, in order to ensure that coercion and tampering is not being attempted or committed, and in order to support the case in the event that the victim may discontinue involvement in the case for safety or other reasons.

4. **Law Enforcement Employees Responsibilities**

- a. Agency employees are encouraged and entitled to seek confidential assistance from the agency to prevent a problem from escalating to the level of criminal conduct against a family or household member.
- b. Agency employees with definite knowledge of violence and/or violence involving fellow employees must report such information in a timely manner to their supervisor. Failure to do so will subject the employee to disciplinary action.
- c. All employees shall be aware of possible witness or victim intimidation, coercion or tampering. Whenever an employee suspects this is occurring, the employee shall prepare a written report and immediately deliver it to the investigator in charge of the case.
- d. Employees who are the subject of a criminal investigation, protective order related to domestic violence, regardless of jurisdiction, are required to report themselves to the CLEO and provide notice of the court dates, times, appearances, and proceedings in a timely manner.

J. **Protection Orders** ***BOT 3-9, 3-17, 3-19***

1. Arrest is mandatory if there is probable cause to believe that a violation of a court-approved Protection Order or a consent agreement has occurred, pursuant to 19-A M.R.S. §4113
2. The service of a Protection from Abuse Order shall be served as quickly as possible. The service of a temporary, emergency, or interim order must be attempted within 48 hours after receiving notice of the order from the court.
3. Once a Protection from Abuse Order has been issued, whether temporary or permanent, officers shall place a high priority on service of the Protection Order, or any modification of such order. The order must be served on the individual, by delivering a copy to the individual personally.
4. Pre-service notification to the Defendant is not the default approach to the service of the Protection Order. If it is determined that such notification is "necessary to ensure timely service," contact with the Plaintiff is desirable to determine if there is information helpful to service of the order or any concerns about pre-service notification. In high-risk cases where safety makes pre-service communication with the defendant necessary, the Officer should **not** specify whether relinquishment of firearms is part of the court's order.
5. If the Protection Order being served requires that firearms are to be relinquished to law enforcement, the serving Officer should make a good faith effort to determine whether the defendant possesses any firearms and to take any firearms that are in the defendant's possession. The serving Officer has no discretion to facilitate transfer of firearms to someone other than law enforcement.
6. If the individual refuses to receive any Protection Order, the officer shall leave the Protection Order in the immediate presence of the individual and advise the individual of the content of the Protection Order, the fact that the individual has been officially served, and the consequences of a violation of the Protection Order.
7. Officers will document all Protection Order services and/or attempts, articulating the circumstances surrounding the service/attempt of the Protection Order. Once service has been made, the serving agency shall ensure the service information is entered into the METRO System without delay and the return of service is sent to the court. If the Protection Order requires relinquishment of firearms, the officer will file A Notice of Relinquishment (court form PA-024) with the court that issued the protection from abuse order once service has been completed. PA-024 will be filed regardless of whether any firearms were actually relinquished.
8. Uniform Full Faith and Credit Clause: Officers shall expeditiously enforce valid Protection Orders from other States and Tribal Courts. Officers shall verify the validity of the protection orders prior to enforcing them.
9. Violation of a Protection Order **BOT 3-18**

A person commits the offense of "Violation of a Protection Order" if:

- a. A District Court has issued a Protection Order, Temporary Protection Order, or any modification of such an order against a person, and that person violates that order;
- b. The defendant received prior actual notice of the order or consent agreement, which may be by physical service of the order or notice other than service in hand, pursuant to Title 19-A M.R.S. § 4113(1); and
- c. That person knowingly violated any condition of the Order.
- d. Officers must recognize that a person who obtains a Protection from Abuse Order cannot violate the order regardless of any action taken by the person or the defendant; the order only constrains the defendant.

10. Enforcement of a Violation of a Protection Order

Pursuant to 19-A M.R.S. § 4114(5) in-custody arrest is mandatory for any violation of a protective order.
