

Town of Long View

April 28, 2026 Emergency Meeting

Meeting minutes

Call Meeting to Order at 10:00 a.m.

Mayor Eddie Marlowe called the emergency meeting to order.

Roll Call

Roll call was conducted. Alderman Genita Hill, Alderman Gary Lingerfelt, Alderman Allen Bumgarner, Alderman Tim Hertz, Alderman Phyllis Pennington, and Mayor Eddie Marlowe were all present.

Town Clerk Heather Minor stated that the purpose of this meeting was to adopt a resolution needed for the CDBG-I Grant. This resolution authorizes the Town of Long View to apply for Community Development Block Grant-Infrastructure (CDBG-I) funding through the State of North Carolina to support needed water and sewer rehabilitation projects.

By adopting this resolution, the Board is formally designating an authorized representative to submit the application and act on the Town's behalf, while also committing the Town to meet all program requirements, including proper operation, maintenance, and financial sustainability of the system once the project is complete.

This action is a required step in the grant application process and does not obligate the Town to accept funding, but it allows us to pursue state and federal resources to improve critical infrastructure.

I ask that the Board adopt the resolution as presented authorizing Finance Director Melissa Lalonde to be designated as the Authorized Representative on the Town's behalf.

A motion was made by Alderman Allen Bumgarner and seconded by Alderman Genita Hill to adopt the resolution as presented. The motion to adopt was unanimous.

Adjournment

A motion was made by Alderman Allen Bumgarner and seconded by Alderman Tim Hertz to adjourn the meeting. The motion to adjourn was unanimous.

The meeting adjourned at 10:04 a.m.
